24th January 1870.*

No. 95. Read the following letter from the Under Secretary to the Government of India, Home Department, (Judicial,) to the Chief Secretary to Government, Fort Saint George, dated Fort William, 22nd December 1869, No. 1871.

I am directed to forward, for the information of His Excellency the Governor in Council, a copy of a Resolution of the Government of India in this Department, dated 22nd instant, No. 1863-70, regarding the conveyance of Camp Equipage at Government expense.

—

Extract from the Proceedings of the Government of India in the Home Department, (Judicial,) No. 1863-70, under date Fort William, 22nd December 1869.

RESOLUTION.—District Officers are entitled to a certain complement of Camp Equipage, but a legitimate saving might, possibly in some provinces, be effected by reverting to the system originally intended by Government, and by placing a limit on the amount of Camp Equipage to be carried at the public expense.

2. An officer in camp should only be entitled to charge to Government the cost of carrying one office tent for himself, one tent for his native establishment while engaged in official work, one tent for chupprassees, and one for his Police guard in cases where he is entitled to a guard. The carriage of private tents should, as at present, be paid for by the officer himself, and if the Government tents are used for private purposes, the officer should pay the cost of carriage, or if the accommodation is devoted partly to official and partly to private purposes, he should pay half the cost of carriage. The travelling allowance paid by Government to Civil Officers is intended to cover expenses of this character.
