*Proceedings of the Madras Government, Public Department,
1st August 1870.*

No. 1. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 21st July 1870, No. 1817-46 :—

With his letter of the 21st April last, No. 390-155, my Deputy, Major Hessey, in charge of the detachment (strength as per margin) engaged in the demarcation and survey of the Neilgherry Hill Settlements, forwarded an application from the Medical Officer in charge of Civil Dispensary at Ootacamund for a monthly allowance of Rupees 30, for treating the subordinates of the Revenue Survey Department, on the ground that the Dispensary is maintained by voluntary subscriptions and donations of the residents and visitors.

2. On a call for information as to the contributions made by the other Government establishments located there, I am informed that the Commissioner and Public Works Department pay nothing to the Dispensary; that the Police have their own hospital; and that the Survey party under Colonel Saxton has its own Apothecary and medicines.

3. As the amount of monthly allowance applied for by the Civil Surgeon is, if sanctioned, in excess of the pay of a third-class hospital assistant, I request that a subordinate of this grade may be appointed to take medical charge of the detachment as long as it is stationed on the Hills.

4. The charge will be met from savings in the Budget grant for 1870-71.

Referred to the Public Department.

My dear Sir:
Your letter with reference
returned -

The Committee have nothing
of Pearl's application to the
S. Dept. There are no special
reasons why the S. D. people
should not be allowed to
share in the benefits of the
Hospital. They do in fact
to share to a large extent.

Pearl is Secy Med.
Officer to the Hospital takes
a lively interest in the funds

of the institution & has
been in every direction for
aid as he ought to do.

His application to the
S. D. was merely because he
heard ^(or understood) the Survey Officer here & by
day that the Dept. paid
\$50 M. to the Good Samaritan
Hospital and so he shot at
the Dept. for a similar
donation to this hospital.

The Survey people are
in the hospital a good deal
& if Pringle's budget will
allow it I should think you
might sanction a small

payment say 15 M. monthly
mail Pringle's letter read
as if the Medical Officer
had called upon ^{him} to pay a
monthly allowance - whereas
it was merely an appeal to his
charitable feelings.

I should not think a Hospital
as important would be so good
an arrangement as a small
donation to the Hospital.

Yours truly
