*Proceedings of the Madras Government, Public Department,
1st August 1870.*

No. 6. Proceedings of Government, dated 1st August 1870, No. 954.

The Government learn with much satisfaction that the Rajah of Vencatagherry has given effect to his benevolent intention of permanently endowing the charitable institution, known as the Rajah of Vencatagherry's Choultry at Madras, by assigning Government securities to the extent of one lac of rupees for the purpose of his charity. The Government Promissory Notes have been endorsed in favour of the Collector of Madras for the time being, who will draw the interest periodically and transfer the same to the Honorary Secretary and Treasurer of the Monegar Choultry for the time being.

2. The Government recognise and approve the only condition which has been imposed by the Rajah of Vencatagherry on his munificent gift, that the nature of his charity shall not be changed and that the interest of the capital set aside by him shall be spent solely in the maintenance of the charitable institution in Madras, known as the Choultry of the Rajah of Vencatagherry.

3. An annual report on the administration of the funds of his charity will be furnished, as heretofore, to the Rajah of Vencatagherry by the Directors of the Monegar Choultry.
