Proceedings of the Madras Government, Public Department.
3rd August 1870.

No. 13. Read the following letter from the President of the Municipal Commission, Coimbatore, to the Chief Secretary to Government, Fort Saint George, dated Coimbatore, 20th July 1870, No. 13:—

Adverting to the Proceedings of Government, dated the 20th May 1870, sanctioning the transfer of the District Jail of Coimbatore to the Municipality on the condition of its providing funds for certain alterations required to the building in the Central Jail which is to be appropriated for the detention of prisoners under short sentences, I have the honour to inform you that, at a meeting of the Commissioners held on the 14th instant, it was determined to raise a loan of Rupees 10,000 at six per cent., on the security of the buildings and site in question, in order to meet the above charge, and to convert the old jail into a market, the object in view being to afford sufficient accommodation to the vendors of comestibles, and at the same time to provide a building not wholly wanting in decorative taste. The present erection is of the severe Anglo-Indian style of architecture, and requires a little embellishment.

2. The Committee of the Coimbatore Dispensary, whose capital at present yields them only five per cent. in Government securities, are prepared to make the advance, and, as President of both Associations, I have the honour to request, under the provisions of Section 77, Act X. of 1865, permission to raise the loan of Rupees 10,000 for the purposes specified, and also the sanction of Government for the re-investment of that amount of the Dispensary capital in the manner indicated. If the proposals meet the approval of Government, the debentures will be made out in the form prescribed by Section 78.

3. I would respectfully request that this matter may be disposed of as early as practicable.

No. 14. ORDER THEREON, 3rd August 1870, No. 966.

His Excellency the Governor in Council sanctions the proposal of the Municipal Commissioners of Coimbatore to contract, on the conditions stated in the letter above recorded, a loan of 10,000 rupees.
