Proceedings of the Madras Government, Public Department,

4th August 1870.

No. 19. Read the following letter from the Secretary to the Committee for the Examination of Assistants, to the Chief Secretary to Government, Ootacamund, dated Madras, 19th July 1870, No. 506 :—

I have the honour, by direction of the President, to request that, for the reasons after given, His Excellency the Right Honourable the Governor in Council will be so good as to reconsider the Order, dated the 6th instant, No. 836, Public Department, allowing Mr. T. J. Maltby, Assistant Collector of Trichinopoly, to appear in October next for examination in Tamil according to the High Proficiency Test.

2. In paragraph 3 of my letter, No. 505, dated this day, Mr. Maltby is reported as having again failed to pass in the Revenue and Judicial Sections of the Higher Standard Test. He is, therefore, precluded from being invested with the full powers of a Magistrate for, at all events, a further period of six months.

3. The Committee are convinced that it intimately concerns the welfare of the State that Assistant Collectors should, at as early a date as possible, qualify for the performance of these magisterial duties, and they cannot help thinking that, had Mr. Maltby devoted his entire energies towards this object, in place of, as has evidently been the case, having diverted a portion of them to the study of a vernacular for the pecuniary reward of Rupees 1000, he would now have been in a position to render more effective service to Government in both Revenue and Magisterial work than he can do till, as above stated, at least another half-year has elapsed.

4. In February last Mr. Maltby applied to this Committee for permission to be again examined in April in Tamil, according to the High Proficiency Test; but as he had signally failed both in the Standard Examination in December, and in the Reward Examination in January, the Committee declined to forward the application to Government, and Mr. Maltby did not press the matter. Had that gentleman, on this occasion also sent his application through the Committee it would have been laid before Government, with the recommendation that, in the circumstances detailed above, permission should not be granted.

5. If His Excellency in Council concurs in the views entertained by the Committee, they trust that His Lordship will issue orders that all applications by Civilians for examination in Oriental languages be submitted to Government through them, because, as they are more fully aware of the circumstances of each case than Government can be, they are in a position to say whether it is or is not desirable that the application be complied with. In the present instance, should His Excellency in Council reconsider and cancel the order under consideration, the Committee hope that Mr. Maltby will be informed that no application by him, for permission to appear for the Reward Examination, will be sanctioned until he has passed by the Higher Standard.

No. 20. ORDER THEREON, 4th August 1870, No. 970.

His Excellency the Governor in Council resolves, under the circumstances brought to notice by the Committee for the Examination of Assistants, to cancel the permission granted to Mr. T. J. Maltby, Assistant to the Collector of Trichinopoly, in G. O., dated the 6th ultimo, No. 836, to appear in October next for examination
