Proceedings of the Madras Government, Public Department,
8th July 1871.

Read the following papers:—

No. 72. From W. MACKENZIE, Esq., M.D., Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 2nd March 1871, No. 67.

I have the honour to annex, for submission to Government, the following extract from Inspection Report of the Civil Dispensary at Sydapet by the Deputy Inspector-General, Indian Medical Department, Presidency and Northern District.

Extract para. 9.—“ It was opened as a Dispensary in September 1869, at the suggestion of S. Vejayaraghavalu Chetty, 1st Uncovenanted Assistant, Revenue Department, Government Office, to supply a want much felt by the people in the vicinity. The building belongs to this gentleman. It was repaired and fitted for its present purpose by subscriptions of the inhabitants of the village, and a few Europeans. In a letter, dated 1st April 1870, to the Acting Collector of the Madras District, C. V. Iyasawmi Moodelliar, a Dubash of Messrs. Arbuthnot and Co., proposed to buy the building, make suitable alterations in it, provide two or three wards for serious emergent cases, and promised to pay thereafter a donation of 1,000 Rupees, the interest of which would partly meet the contingent expenses. He also asked that the Government would permit the institution to be named the C. V. Parvati Nardany Ammal Dispensary, in remembrance of his deceased wife. In the Order thereon, No. 145, in Proceedings of the Madras Government, Public Department, dated 31st May 1870, the proposal of C. V. Iyasawmi Moodelliar was accepted, and his request sanctioned. But he has neither purchased, nor repaired the building, nor paid the promised donation.”

Referred to the Acting Collector of Chingleput District for report.

FORT ST. GEORGE,
7th March 1871.

(Signed) R. S. ELLIS,
Chief Secretary.
