Proceedings of the Madras Government, Public Department,
10th July 1871.

No. 77. Proceedings of the Board of Revenue, dated 28th June 1871.

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, Madras, dated Mangalore, 17th June 1871, No. 842:—

With reference to paragraph 6 of the Proceedings of Government, dated the 28th April last, No. 563, Public Department, I have the honour to state that I have entrusted the duty of preparing a scheme for the diffusion of education in this district to my Acting Head Assistant Mr. Sturrock, who is already engaged in the work.

2. Mr. Sturrock reports that the valuation of houses in thirty-two unions will necessarily occupy some little time, and that meanwhile a difficulty arises regarding the carrying on of the existing schools, no funds being available in some cases for the payment of salaries of the masters and for defraying other ordinary charges. He, therefore, suggests that advances be made to the several schools to be adjusted when final orders have been passed on the subject of the schools to be kept up in the district.

3. The collection of the rate in almost all the Rate Schools was in a backward state when the Local Funds' Act was introduced, and I understand that large arrears are outstanding. Measures will be taken at once for collection of these, and, in the meantime, I request that I may be authorized to make the necessary advances out of the general local funds of the district to be adjusted as above proposed.

4. The monthly expenditure on account of salaries and contingent expenses of the several schools does not exceed Rupees 400.

Submitted for the orders of Government.
