PUBLIC DEPARTMENT.

No. 1033.

To

THE HONOURABLE THE COLONIAL SECRETARY,
STRAITS SETTLEMENTS,
Singapore.

SIR,

With reference to your letter, dated the 31st May last, No. 1454, I am directed to transmit copies of the replies received from the Director of Public Instruction and the Acting Principal of the Medical College on Mr. Jeremiah Martin's application for an appointment in the Medical Service of the Government of the Straits Settlements, and to state that, in the opinion of this Government, Mr. Martin is well qualified for the appointment he seeks.

I have the honour to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,
11th July 1871.

Acting Chief Secretary.

From the Director of Public Instruction, to the Acting Chief Secretary to Government, Fort St. George, dated Madras, 1st July 1871, No. 1077.

I have the honour to return the letter from the Colonial Secretary, Straits Settlements, dated the 31st May last, and referred for report to the Principal Inspector-General, Indian Medical Department, and myself by endorsement, dated the 19th ultimo. I also submit copy of a letter, No. 79, of the 27th ultimo, from the Acting Principal of the Medical College to Dr. Balfour.

2. In the circumstances mentioned by Mr. Chipperfield, there can be no doubt of Mr. Martin's fitness for the employment he seeks in the Straits Settlements; and the Acting Inspector-General, Indian Medical Department, concurs with me in recommending Mr. Martin for such employment.

From Surgeon W. N. CHIPPERFIELD, Acting Principal of the Madras Medical College, to the Secretary to the Inspector-General, Indian Medical Department, dated Madras, 27th June 1871, No. 79.

In reply to your letter, No. 3273, dated 26th June instant, I have the honour to return the three letters accompanying the same, and to report that on the 25th May, in forwarding a letter from Mr. Martin to the Inspector-General, Indian Medical Department, I solicited Dr. Balfour's permission for Mr. Martin, who last year passed with credit the First Examination for the University degree of M. B. and C. M., to be allowed to appear before the Final Examination Committee and

undergo such an examination as would amply test his qualifications. This permission was granted, and Mr. Martin underwent the examination laid down for the grade of Sub-Assistant Surgeon, embracing clinical, oral, and written examinations in medicine, surgery, and ophthalmology, oral and written in midwifery, diseases of women and children, and hygiene, to which was added medical jurisprudence. The Final Examination Committee passed Mr. Martin as qualified for the grade of Sub-Assistant Surgeon. Mr. Martin, therefore, had a somewhat more severe and searching examination than that for the grade of Assistant Apothecary, a certificate of qualification for which grade will be presented to Mr. Martin at the anniversary meeting of the College.

2. From personal knowledge of Mr. Martin, I can report that he has been a most industrious student, ever seeking to obtain knowledge, and I believe him to be thoroughly well qualified for the appointment he seeks.
