*Proceedings of the Madras Government, Public Department,
14th July 1871.*

No. 109. Read the following letter from the Officiating President of the Municipal Commission, Madras, to the Acting Chief Secretary to Government, Fort St. George, dated Madras, 10th July 1871, No. 216:—

In the Order of Government in the Educational Department, No. 65, dated 14th March 1871, passed on the application of the Municipal Commissioners to be allowed to make a road through the Military Male Orphan Asylum compound, forwarded in a letter from the Principal and Secretary of the Asylum, to the Chief Secretary to Government, dated the 28th February 1871, Government were pleased to state that they were not prepared to sanction, at present, the construction of the road contemplated by the Municipal Commissioners.

2. As the Commissioners now understand that it has been finally decided that the children of the Civil Orphan Asylums are to be transferred to the Military Male Orphan Asylum when the boys of the latter have been sent to the Neilgherries, and they believe that the road will be, as stated in the letter of the Principal and Secretary of the Military Male Orphan Asylum, a great public improvement, whilst it will not interfere in any way with the arrangements proposed by Government for the accommodation of the Male and Female Civil Orphan Asylums, I have the honour to request that you will be good enough to submit once more, to the Right Honourable the Governor in Council, the application of the Commissioners to be allowed to construct the road in question, as shown in the plan forwarded in the letter from the Principal and Secretary of the Military Male Orphan Asylum, and to express their hope that it may meet with the favourable consideration of Government.

No. 110. ORDER THEREON, 14th July 1871, No. 1051.

The Government authorize the Commissioners to construct the proposed road as shown in the plan referred to.
