My dear Sir,
I have the honor to acknowledge
the receipt of your letter of the 10th inst.
and in reply to inform you that
the same has been forwarded to the
proper authorities for their consideration.

I am,
Sir,
Very respectfully,
Your obedient servant,
J. H. M.

*Proceedings of the Madras Government, Public Department,
14th July 1871.*

No. 113. Read the following letter from the President of the Local Fund Board, South Arcot, to the Acting Secretary to Government, Fort St. George, dated Cuddalore, 6th July 1871, No. 53:—

The Superintending Engineer, 5th Division, has sent me a very urgent request to place at his disposal at once the sum of Rupees 6,213-11-8 required to finish the Vellar Bridge.

2. The Government, in their Order of the 27th ultimo, No. 1113, referred a similar application, addressed to them by Colonel Boileau, to me in order that the funds might be soon allotted for completing the work. I am, however, unable to give Colonel Boileau the money, because he is not allowed to receive it except through the authorized channel; and, unless Government will direct the Accountant-General to place the required funds at once at the Superintending Engineer's disposal from the balance of local funds available, I fear I shall not be able to do so until after the Local Fund Circle Budgets of the two circles in this district are sanctioned.

3. I enclose a copy of Colonel Boileau's letter, and request that Government will direct the Accountant-General to place the funds at the disposal of that Officer at once.

4. The necessary provision for this work will be made in the Local Fund Budget of the Virdachellam Circle.

From Colonel A. J. M. BOILEAU, *Superintending Engineer, 5th Division, to the President of the Local Fund Board, South Arcot, dated Cuddalore, 6th July 1871, No. 73.*

With reference to G. O., Revenue Department, No. 1113, dated 27th June 1871, I have the honour to forward a copy of a letter (*very urgent*) from the Executive Engineer, No. 1 Range, and to request you will be good enough to place *at once* at my disposal the sum of Rupees 6,213-11-8.

2. The bridge work can on no account be stopped.

From the Executive Engineer, No. 1 Range, South Arcot, to the Superintending Engineer, 5th Division, dated Cuddalore, 1st July 1871, No. 388.

In continuation of my letter, No. 210, of the 8th ultimo, applying for the balance of the estimate for the bridge across the Vellar at Muttalore, viz., Rupees 6,213-11-8, I beg that the amount be placed at my disposal as early as possible, as the allotment already sanctioned is nearly exhausted, and, if I stop the work in its present stage, there will be very serious injury done in the event of a heavy flood coming down the river.

No. 114. ORDER THEREON, 14th July 1871, No. 1055.

The Board of Revenue are requested to arrange, in communication with the Accountant-General, for placing the funds required at the disposal of the Public Works Department from the local funds of the district, in anticipation of the allotment for the work entered in the list circulated with G. O., 7th June 1871, No. 216, being provided in the budget of the Local Fund Board.
