Proceedings of the Madras Government, Public Department,
19th July 1871.

No. 166. Read the following letter from the Acting Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 3rd July 1871, No. 217:—

I have the honour to submit, for the information of His Excellency the Governor in Council, with reference to paragraph 7 of Proceedings of Government, No. 893, of 21st June, that it is on the Examiner of Medical Accounts that the duty of pricing medical indents falls. But on the 24th February last, that officer addressed this office stating that he could not price the supplies more expeditiously than he was then doing, and suggesting that medical officers should themselves take the rates of the by-gone year and price their receipts, and this office issued orders accordingly.

2. I will address the Controller of Military Finance on the subject in sufficient time to ensure the early completion of the pricing of the 1871 Medical Store supplies.
