Proceedings of the Madras Government, Public Department

21st July 1871.

Read the following papers :—

No. 203. From the Acting Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 11th July 1871, No. 232.

I have the honour to submit to His Excellency the Governor in Council, that, on any occasion requiring the removal, from one station to another, on duty, of any Commissioned or Warrant Medical Officer, or Hospital Assistant, who is employed in the Military Department, under the marginal order, advances can be made to the person about to remove. But there is no similar provision for advances to medical men in civil employ, and it constantly happens that the Hospital Assistants cannot conveniently depart. I have repeatedly advanced money to this grade, when under orders, and every Deputy Inspector-General of a Circle has doubtless had the subject repeatedly before them. On referring the subject to the Accountant-General, that Officer informs me that his Department is not empowered to sanction such advances without the authority of Government, to whom he bids me apply. I have, therefore, the honour to submit the subject for favourable consideration, and to suggest that a rule as to advances, such as is in force for the Military Medical Officers, be made applicable to those in civil employ, or transferred from military to civil employ.

Referred to the Acting Accountant-General for his remarks.

FORT ST. GEORGE,
12th July 1871.

(Signed) W. HUDLESTON,
Acting Chief Secretary.

No. 204. From the Officiating Accountant-General, to the Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 15th July 1871, No. 166.

Audit Department.

With reference to your endorsement upon a letter to your address from the Inspector-General, Indian Medical Department, No. 232, dated the 11th instant, herewith returned, I have the honour to state that, in my opinion, there is no objection to compliance on the part of Government with the request of the Inspector-General.

2. I may observe here that advances similar to those the Inspector-General now applies for are at present allowed in the Revenue Survey and Forest Departments, under the orders of this Government, No. 2112, dated 12th November 1860, and the orders of the Government of India, No. 715, dated 29th January 1870, respectively.

No. 205. ORDER THEREON, 21st July 1871, No. 1128.

The Government sanction the proposal of the Acting Inspector-General that the rule in force in the Military Department regarding advances of pay to Medical Officers on change of station be made equally applicable to Medical Officers employed in the Civil Department.
