No. 2,697.

Proceedings of the Board of Revenue, dated 4th July 1871.

Read the following letter from Mr. Brown, Esq., Acting Sub-Collector, to the Collector of Cuddapah dated Madanapally 25th May 1871, No. 922.

ADVERTING to Government Proceedings, No. 191, Public Department, of April 17th, 1871, forwarded with Proceedings of the Board of Revenue, No. 1,755, of April 27th, 1871, I observe that it is proposed to debit the Local Fund of this circle with a sum of Rupees 1,225-3-6 on account of European Medicines to be supplied to the dispensary at Madanapally for 1871-72.

2. I have the honour to point out that this estimate is based on the actuals for 1869, the year in which the dispensary was established, and when an abnormal expenditure was incurred for surgical instruments and apparatus.

3. I have obtained from the medical officer in charge of the dispensary the actuals for the past year, and find that the value of medicines supplied by Government was only Rs. 237-15-2.

4. This amount will not in all probability be much exceeded this year, and Rupees 300 is the outside sum that can with fairness be charged to Local Funds.

5. A comparison with the actual charges for medicines for all other dispensaries will show that the expenditure on that at Madanapally for 1869, was far beyond that for any other in the Presidency, and that it cannot be taken as the average in ordinary years.

No. 109.

SUBMITTED to the Board of Revenue, with reference to the order quoted by the Sub-Collector.

2. It is obvious that the expenditure under the head of Medicines for 1869 was exceptional. Under the circumstances, it would be sufficient to debit Local Funds with the sum of Rupees 300 for the current year.

MADANAPALLY,

Collector.

SUBMITTED for the orders of Government.

The question is the question as to what amount should be debited to the funds in account of medicines for the Madras Dispensary. The Local Fund Board should provide in their Budget only such sums for medicines for dispensaries as they may consider actually necessary.
