Proceedings of the Madras Government, Public Department.

25th July 1871.

No. 208. Read the following Proceedings of the Board of Revenue, dated 6th July 1871, No. 2703:

From the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 13th June 1871, No. 232.

The Treasury Deputy Collector has brought to my notice that since we have commenced to insert the Proceedings of the four Municipalities of this district in diglott, besides the weekly audit statements, the business of the Press Office has increased very considerably; indeed, the work entailed by the publication of these papers is almost equal to that of the other portion of the Gazette, and the permanent establishment have more work than they can get through.

2. I have the honour strongly to urge that the Order* of Government permitting the publication, free of cost, of the Proceedings of the different Municipalities, should be reconsidered.

* No. 1477, 2nd December 1868.

3. It would be advisable, of course, that the publication of the papers in the District Gazette should continue; but I would ask permission to entertain, on that account, two Compositors and one Pressman, at a cost of Rupees 35 per mensem, the sum to be made good by the Municipalities in equal portions.

Submitted for the consideration and orders of Government.

2. The Board think that the heavy work and expenses entailed on the District Press by publishing the Proceedings of the Municipal Councils should not fall wholly on the District Press without any payment on account of the extra establishment required.

F. BRANDT,

Acting Sub-Secretary.

No. 209. ORDER THEREON, 25th July 1871, No. 1144.

The Government observe that the publication of the Municipal Proceedings in the District Gazette is required by law (Act III. of 1871, Section 25), and they do not think that the Commissioners should be charged for it.

2. If the Board of Revenue consider the extra establishment temporarily necessary, and if funds are available, it is within the competence of the Board to sanction its entertainment.

M. M. M. - 2nd Dec 71.

The fact remains that the publication of the municipal proceedings in the district Gazette is required by law & they do not think that the Commission should be charged for it.

2. If the Board of Revenue consider the extra establishment temporarily necessary, and funds are available, it is within the competence of the Board to provide it.
