G.O. No.	1151	Press
		Mis.
Dated	25-7-	19 1871

Not to be folded or roughly handled

25th July 1871.

No. 210. Read the following letter from the Magistrate of Coimbatore, to the Acting Chief Secretary to Government, Fort St. George, dated Coimbatore, 6th May 1871, No. 27:—

Adverting to paragraph 2 of the Proceedings of Government, Public Department, dated 21st April 1871, No. 514, I have the honour to submit, for the approval of Government, revised estimates of receipts and charges on account of the Erode Municipality for the six months from 1st October 1871 to 31st March 1872.

2. As directed in paragraph 4 of the Government Order, dated 31st March 1871, No. 436, the amount of receipts from tolls has been estimated for with reference to the schedule of rates appended to Act X. of 1865, and which now obtains in the Coimbatore Municipality.

3. The Taluq School at Erode is an elementary institution, and is entirely supported by the State. I beg to recommend its transfer to the Municipality, provision being made for its support in the estimate.

4. As there is no Dispensary at Erode, no provision is made under this head.

5. With reference to paragraph 9 of the Government Order of 31st March last, I have made provision for the entertainment of a vaccinator on a salary of

^{* Vide my letter, dated 25th April 1871, No. 10.} Rupees 12 per mensem. He should be, as recommended in the case of the Coimbatore Municipality,*

made subject to the same supervision as those employed in the neighbouring Local Fund Circles. The Superintendent of the Local Fund Circle should make quarterly visits to the Municipality, to supervise the vaccinator's work. I propose to allot a fee of 20 Rupees a year for supervision.

No. 211. ORDER THEREON, 25th July 1871, No. 1151.

The estimate of receipts of the Municipality of Erode, for the six months ending March 1872, includes Rupees 170, being the fees paid by the pupils in the Erode Taluq School which the Commissioners wish to take over and for the charges of which they have provided. The school is of the middle class, and the Commissioners will not be charged for its maintenance. The item will, therefore, be struck out. It is proposed to levy the house-tax at seven per cent., a high rate for a small and poor town. Tolls are expected to yield only Rupees 180, at half sche-

dule rates, and the Government believe that this estimate will be found much too low. The bandy-petta fees alone amount, it is observed, to Rupees 50. Schedules of the proposed rates of license fees should be submitted for the sanction of Government required by law. It is proposed to levy all the taxes authorized by the Act.
