*Proceedings of the Madras Government, Public Department,
26th July 1871.*

No. 212. Read the following letter from the Acting Commissioner of Police, to the Chief Secretary to Government, Fort St. George, dated Madras, 25th July 1871, No. 44 :—

I have the honour to request you will lay before Government my recommendations in the cases of the under-mentioned vagrants, whose passages have been sanctioned.

2. Robert Morton, 28 years of age, was born in Melbourne, but his father and mother reside in London. By trade a Boiler maker ;
G. O., No. 1030, 11th July 1871. returned to Melbourne in 1868, was unsuccessful there;

came to Calcutta with horses in October 1870, has been able to get no employment; found his way to Kistna District in the hope of getting some work, and thence came on to Madras. His passage has been sanctioned to the Colonies, but he is very anxious to return to his parents, who are pressing him to come home, and has no doubt of getting employment in England. It appears to me advisable to allow him to go there as a special case.

3. F. A. Burns. This man's passage to Cape has been sanctioned, but there is no chance of a ship going to the Cape from Madras till
G. O., No. 738, dated 31st May 1871. February or March next. He was resident in Melbourne for three years, and knows several people there: wishes to go there instead of to the Cape. I recommend that his request be complied with.

4. Charles Lambert also requests that his destination may be changed from the Cape to England. He would prefer going there and getting a passage to the Cape to remaining several months in Madras. The Master Attendant informs me that—

“ It is not likely there will be any *direct* opportunity to the Cape till next
“ February or March, when an Invalid ship will be leaving Madras for England;
“ but even then it is just as probable she will elect to touch at St. Helena or at the
“ Cape.

“ Under the circumstances, it would be advisable to endeavour to induce the
“ men to go elsewhere.”

5. Referring to Order of Government, dated 31st May 1871, No. 738, I have the honour to report that Francis Gaiton (or Gartin) has been shipped off to France as Steward on board a French ship, receiving some clothing but nothing for passage money. He is not, however, of French nationality, and I could not have recommended his deportation to France at Government expense.

6. Richard Bentley belongs to Yarmouth, Nova Scotia, in British North America. I recommended his being sent to England because there is great difficulty in getting a passage from here to America, and, being a Carpenter by trade, he intends working his passage from England to Nova Scotia.

No. 213. ORDER THEREON, 26th July 1871, No. 1152.

Under the circumstances represented by the Acting Commissioner of Police, His Excellency the Governor in Council sanctions the grant of free passages to

Robert Morton, to England,
F. A. Burns, to Melbourne,
