No. 222. Read the following letter from the President of the Local Fund Board, Cuddalore Circle, to the Acting Chief Secretary to Government, Fort St. George, dated Cuddalore, 10th July 1871, No. 2:—

I have the honour to request you will inform me whether it was intended that school unions should be formed of villages in which elementary schools on the payment-for-results' principle only exist.

2. My own impression is that it was not intended that a house-rate should be imposed in an union until a school with a salaried master was established.

3. The matter is one of considerable importance as affecting the budgets of the circle in this district.

No. 223. ORDER THEREON, 26th July 1871, No. 1157.

The President's impression is correct. Unions are at present to be formed and the house-tax imposed, only where elementary schools supported by salary grants-in-aid, which will now be chargeable to the local funds, exist. Rule XI. of the Local Fund Rules provides for the establishment of unions and the levy of the house-tax, for the support of schools which have fulfilled certain conditions in gaining result grants from local funds.
