*Proceedings of the Madras Government, Public Department,
7th August 1871.*

No. 18. Read the following letter from the Acting Collector of the Kistna District, to the Acting Chief Secretary to Government, Fort St. George, dated Masulipatam, 26th July 1871, No. 2216 :—

I receive frequent applications from the Presidents of the several Regimental Committees on " Register of Heirs to Marriage" requesting me to supply them with certificates for the marriages of privates belonging to the different regiments. The Brahmin, who officiated at each particular marriage, and the witnesses in whose presence the ceremony is stated to have taken place, have to be traced for the purpose. But the particulars given regarding these as well as of the parties themselves, in the communications of the abovesaid officers, are usually of the most meagre description, so that it is often impossible to trace the parties. It would save much correspondence, and much fruitless labour, if instructions were issued, in the Military Department, directing officers to furnish information to the Civil Authorities in full when making such applications. The name of *each* party concerned, his house-name, caste, mark of religion, occupation, village and taluq, the name of the particular " peta " or street, if it is a large town, in which the party may be living, as also the names of one or two chief relatives of that party, should be fully and distinctly given.

2. The lower the caste of the parties is the more difficult it is to find out where they are.

No. 19. ORDER THEREON, 7th August 1871, No. 1183.

Communicated to the Military Department for the issue of such instructions as may appear necessary.
