*Proceedings of the Madras Government, Public Department,
7th August 1871.*

No. 22. Read the following letter from the President of the Municipal Commission, Godavery District, to the Chief Secretary to Government, Fort St. George, dated Cocanada, 15th July 1871, No. 31:—

I have the honour to forward, for such notice as the Government may think proper, copy of a letter from the Vice-President of the Rajahmundry Municipality, dated 11th instant, No. 39, together with a revised estimate of receipts and expenditure.

From the Vice-President of the Municipal Commission, Rajahmundry, to the President of the Municipal Commission, Godavery District, dated Rajahmundry, 11th July 1871, No. 39.

With reference to paragraph IV of Order No. 244, and of 11th instant, I have the honour to inform you that the old rates of toll, specified in Schedule A of Act III. of 1871, were estimated, by oversight. A revised estimate of receipts and expenditure, framed on the basis of the old rates, is herewith enclosed. I have, therefore, the honour to request that you will obtain sanction of Government for the levy of toll at half the maximum rates as determined by Government in their Order, dated 11th June last, No. 826.

2. In paragraph II of the same Order, it is stated, "All the select Commissioners whose names I sent up with the exception of my Sharee, &c." In the Notification, however, they have omitted the names of Kanchamma Narada, one of our most active Commissioners. This must, I presume, have been an oversight, since, if his name is omitted, there will be no official, and only four non-official members.

3. As regards the Commissioners already recommended, I beg to submit that the name of Moulavi Mahomed Ali Sahib be omitted. The list I forwarded was similar to that of the preceding year. I had only just taken charge and knew nothing of the Commissioners. Since then the Commissioners at a meeting resolved to apportion to each Commissioner a portion of the general work. Moulavi Mahomed Ali Sahib, however, publicly declined to do any work whatever, he said to the meeting that hitherto the late Vice-President had done all the work and he was not going to do any.

4. I told Moulavi Mahomed Ali Sahib positively that if there were his intentions it would be best to resign. He said he would do so. Three weeks, however, have elapsed since that time and he has not done so. I beg to recommend in his place the name of Sankili Gopala Krishnaiah, a respectable and well-educated Pleader.

5. I had sought to bring to notice that the inhabitants of the town have requested, by a deputation, that certain other Commissioners should be appointed who will take more interest than those now in the Commission. These asked for, however, are mostly officials, but there are two of whom Sankili Gopala Krishnaiah, the Pleader, recommended in the place of Moulavi Mahomed Ali Sahib, is one, and the other is an Hon. Mr. Bruce Esq. These I cannot recommend that being the only two men recommended. In this case, however, there will be a vacancy for another official member, in

*Proceedings of the Madras Government, Public Department,
7th August 1871.*

which case I beg to recommend the name of my Sheristadar Baru Ragah Rao. The list will then stand thus :—

Official Commissioners.

1. James Fraser, Esq., Collector.
2. J. D. B. Gribble, Esq., Sub-Collector.
3. Captain C. A. Porteous, Supt. of Police.
4. Charles Doig, Esq., Zillah Surgeon.
5. P. Venkatarangachari Gar, Tahsildar.
6. Baru Raga Rao Pantulugar, Sub-Collector's Sheristadar.

Non-Official Commissioners.

1. Saripilli Gopaula Kristnama Gar in place of Moulavi Mahomed Ali Sahib.
2. Kanchumarti Narsiah Gar.
3. Jannadi Sreeramulu Gar.
4. Bezagam Somiah Gar.
5. Nalam Pattahbi Ramiah Garu.
6. Kommu Ramaswami Sastri Gar.

6. I may mention that Moulavi Mahomed Ali Sahib is a very old and infirm man.

No. 23. ORDER THEREON, 7th August 1871, No. 1189.

The Vice-President of the Municipal Commissioners of Rajahmundry explains, with reference to G. O., 14th June 1871, No. 824, that the tolls were by inadvertence estimated for at the full schedule rates, and revised estimates of receipts and expenditure in which the tolls are entered at half rates only are submitted.

2. The receipts are as shown in the margin. The total, including Rupees 2,950 which the Commissioners expect to receive as State contribution in arrear, is Rupees 12,650. The estimated collections of tolls are Rupees 2,400, but the cost of collection is put down at Rupees 649, and the net receipts are, therefore, only Rupees 1,751. The Commissioners should at once adopt the contract system. The taxes other than tolls were sanctioned in G. O., 14th June 1871, No. 824, and the levy of tolls at half rates was authorized in G. O. of the same date, No. 826.

3. The expenditure is not given in sufficient detail. No particulars are given of the proposed outlay on New Works amounting to Rupees 3,032.

4. The estimates are sanctioned.

5. Under the circumstances stated by the Vice-President, the Government resolve to cancel the appointment of Moulavi Mahomed Ali Sahib, and appoint Saripilli Gopaula Kristnama in his room. The omission of Kanchamarti Narasayya's name in the Notification already published was accidental. The following Notification will be published :—
