*Proceedings of the Madras Government, Public Department,
10th August 1871.*

No. 38. Read the following letter from J. C. LOCH, Esq., to the Chief Secretary to Government, Fort St. George, dated Madras, 2nd August 1871:—

I have the honour to request that you will be good enough to submit to the Right Honourable His Lordship the Governor in Council my application to be permitted, with reference to the Notification of the Government of India in its Financial Department, dated 24th January 1867, No. 401, to draw the amount of passage money paid by me to enable me to join the appointment of Deputy Collector of Sea Customs of this Port.

2. I was gazetted to the appointment on the 8th February 1870, whilst living in England, and I was not at the time, nor had I ever been in the public service. On being informed of my nomination, and that I was to join before the end of April, I engaged my passage by the Peninsula and Oriental Company's Steamer which left Marseilles on the 27th March, arrived in Madras on Saturday the 23rd, and took charge of my office on Monday the 25th April, from which day I began to draw pay.

3. It is evident that I could not join my office except by sea, thus bringing my case within the operation of the Notification referred to in paragraph 1 of this letter, and I venture to hope that Government will be pleased to sanction my application to be allowed to draw the amount of my passage money to this country.

The undersigned has the honour to report that, in the absence of any orders declaring expressly that the Resolution of the Government of India dated 24th January 1867, No. 401, Financial Department, has reference solely to appointments of officers in India, Mr. Loch appears to be entitled to the passage money claimed by him; but, as the case is one which has never before been before this Department, a reference to the Government of India as to the right interpretation of the order would seem advisable.
