With reference to paragraph 2 of the Proceedings of Government, Public Department, dated 20th ultimo, No. 883, I have the honour to state that the increase in the item of tolls on the receipt side is owing to the increased sums which these tolls fetched when put up to auction for the twelve months from April 1871 to March 1872, and not to any expectation that the rates of toll were to be increased.

2. In regard to paragraph 4 of the above Proceedings, I beg to state that the estimated sale proceeds of medicine belonging to the Civil Dispensary are Rupees 360 in round numbers.

No. 52. ORDER THEREON, 16th August 1871, No. 1241.

The explanation regarding the tolls is satisfactory.

2. The question as to the receipts and charges of the Dispensary will be settled when the proposals for its transfer, which it is presumed is in contemplation, are submitted. These should not be delayed.
