Proceedings of the Madras Government, Public Department,

16th August 1871.

No. 55. Read the following letter from the Secretary to the Government of India, Department of Agriculture, Revenue, and Commerce (Sanitary), to the Secretary to Government, Fort St. George, dated Simla, 15th July 1871, No. 35:—

With reference to paragraph 11 of the Resolution of the Home Department, Nos. 330—39, dated the 8th September last, and subsequent correspondence, on the subject of the transmission to England of all statistics and reports regarding cholera in India, I am directed to request that His Excellency the Governor in Council will be good enough to issue distinct instructions for the submission, in future, of only such pages of the registers for recording cholera cases as are filled in. All the pages will be indexed and bound up in a volume in the office of the Sanitary Commissioner with the Government of India and then sent to England. The size of page as shown in the original register should be strictly adhered to.
