*Proceedings of the Madras Government, Public Department,
17th August 1871.*

No. 82. Read the following letter from the Secretary to the Government of India, Home Department (Public), to the Secretary to the Government of Bombay, dated Simla, 5th August 1871, No. 3673 :—

I am directed to acknowledge the receipt of your letter, No. 738, dated the 16th March last, recommending that privilege leave may be granted to Hospital Assistants under the same conditions that are observed in the grant of such leave to Warrant Officers.

2. In reply, I am desired to state that the General Order of His Excellency the Commander-in-Chief, dated the 4th June 1863, notifies the sanction of the Government of India to the indulgence of privilege leave being extended to Warrant Officers, provided no additional expense is thereby entailed on the State. This order, which has never been cancelled or withdrawn, is applicable to those Subordinate Medical Officers of the Apothecary class, who hold the rank of Warrant Officer under the provisions of paragraph 8 of the orders of the Military Department, No. 550, dated the 5th June 1868.

3. Hospital Assistants, however, do not hold the rank of Warrant Officers, and are not entitled to privilege leave. They may receive leave in the same manner as Non-Commissioned Officers of Native Infantry in accordance with the regulations which guide the grant of leave to such men in the several Presidencies, subject, of course, to the exigencies of the public service.

No. 3674.

Copy forwarded to the Governments of Madras, Bengal, North-Western Provinces, and the Punjab; the Chief Commissioners of Oudh, Central Provinces, British Burmah, and Mysore and Coorg; and the Resident at Hyderabad, for information.
