

*Proceedings of the Madras Government, Public Department,
21st August 1871.*

No. 119. Read the following letter from the President of the Committee of Management for the Government Workhouse, Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 12th August 1871, No. 48:—

I have the honour to enclose two bills for clothing and subsistence money supplied to vagrants* deported amounting to Rupees 1,149-13-6, and to request that Government will sanction the payment of the same under the head "Passage Money."

* 22 to Australian Colonies.
9 to England.
4 to Mauritius.
1 to Suez.

2. A sum of Rupees 694-11-0, for clothing supplied to vagrants, has been already debited to contingencies, but it appears to me that this should be considered as part of the expenses of deportation; otherwise, the sum allowed for contingencies will have to be considerably increased. The clothing supplied consists of the few articles that are absolutely required on a sea-voyage when leaving a hot climate, and the subsistence money is limited to half a sovereign, except in special cases, where the vagrant has a long journey from the port of debarkation.

3. The sum for which I now request sanction, if in excess of Rupees 15,000 allowed for passage money, can be considered a part of the extra expenditure provided for in G. O., dated 11th July 1871, No. 1030. There are now only nine vagrants in the Workhouse, and I hope that this will be about the average in future.

4. With reference to paragraph 2 of G. O., 11th July 1871, No. 1030, I have to report that in eight cases employment has been obtained for vagrants. No case has as yet come before the Committee in which they have thought it advisable to recommend to Government that vagrants should be expelled the Workhouse under Section 16 of the Act, but the threat of so doing has had a salutary effect in expediting the arrangements of some who were not exerting themselves to get employment and were disposed to make a convenience of the Workhouse.

No. 120. ORDER THEREON, 21st August 1871, No. 1298.

The Government sanction the payment of the bills, amounting to Rupees (1,149-13-6) one thousand one hundred and forty-nine, Annas thirteen, and Pies six, on account of clothing and subsistence money given to thirty-six vagrants, and direct that the charge be met from the allotment under the head of "Passage Money."
