26th August 1871.*

Read the following papers :—

No. 144. From the Inspector-General of Police, to the Chief Secretary to Government, Fort St. George, dated Madras, 11th August 1871, No. 5194 (Account).

With reference to paragraph 3 of G. O., No. 1297, dated 16th September 1869, I have the honour to forward the enclosed correspondence relative to the non-payment of Police charges for 1870-71 by the Cannanore Municipality.

From the Superintendent of Police, Calicut, to the Assistant Inspector-General of Police, Madras, dated Calicut, 20th July 1871, No. 642.

I have the honour to forward, for your information, copy of a letter from the Vice-President of Cannanore relative to the non-payment of Police charges of that station.

From the Vice-President of the Municipal Commission, Cannanore, to the Superintendent of Police, Malabar, dated Cannanore, 13th July 1871, No. 27.

With advertence to your letter, No. 594, dated 7th instant, I have the honour to inform you that the Police charges due by this Municipality have hitherto been paid after the expiration of each municipal year to which they belong. The Commissioners are precluded from meeting the charges for the past year owing to the fund at their disposal not being available, a reference to the records of this office showing that last year's payment on the above account was only made on 14th July 1870.

From the Superintendent of Police, Malabar, to the Assistant Inspector-General of Police, Madras, dated Calicut, 28th July 1871, No. 577.

With reference to your letter, No. 4678, of the 26th instant (Account), I have the honour to report that the Vice-President of Cannanore has not paid monthly into the treasury the Police charges as ordered by Government, and this was caused from the want of funds to meet the demand, as will be seen from the Vice-President's letter forwarded to you with my letter, No. 642, of the 20th instant.

No. 145. From the Acting President of the Municipal Commission, Cannanore, to the Chief Secretary to Government, Fort St. George, dated Calicut, 14th August 1871, No. 26.

I have the honour to forward the accompanying report and statements received from the Vice-President of the Cannanore Municipality on the working of the Towns' Improvement Act in Cannanore during the year ending 30th April 1871.

2. The total amount collected during the year from the sources indicated in the margin was Rupees 7,640-11-10. This item includes the unexpended balance on the 30th April 1870 and the Government contribution drawn for 1869-70.

House-tax.
Profession-tax.
Carriage-tax.
Registration fees.

3. The sum that remained to be collected on the 30th April 1871 was Rupees 131-9-2, which is irrecoverable.

Proceedings of the Madras Government, Public Department
26th August 1871.

4. The expenditure under different heads was as follows:—

	RS.	A.	P.
New Works	1,449	4	5
Repairs	273	13	9
Conservancy	2,518	11	4
Police	603	4	7
Establishment	885	0	0
Miscellaneous	261	12	4
Total	5,991	14	5

leaving an unexpended balance of Rupees 1,648-13-5.

The only item that calls for remark is the Police.

Charge for the maintenance of Police for 1870-71 was not paid, nor was the Government contribution due to the Municipality for the year drawn, the expenditure exhibited under this head being a part payment for 1869-70.

5. The following statement will show the financial position of the Municipality on the 30th April 1871:—

	RS.	A.	P.
Balance in hand on the 30th April 1871	1,648	13	5

6. With reference to the remark in paragraph 1 of Government Order, dated 12th October 1870, No. 1280, as regards the balance brought forward to the credit of account for 1869-70 being in excess of Annas 12, I have the honour to refer you to the explanations already afforded in the Auditor's statement for 1868-69, which accompanied this office letter, No. 32, dated 19th October 1869.

From the Vice-President of the Municipal Commission, Cannanore, to the President of the Cannanore Municipality, Calicut, dated Cannanore, 19th May 1871, No. 5.

I have the honour to report upon the working of the Cannanore Municipality during the year ending 30th April 1871, and to forward the usual statements marginally noted in connexion therewith.

Statement A.
" B.
" C.

2. The actual receipts for the year from sources particularized in the Statement C., herewith submitted, amounted to Rupees 7,209-12-11.

Proceedings of the Madras Government, Public Department
26th August 1871.

3. The actual expenditure under all heads during the year was Rupees 5,991-14-5, as shown in the Statement B.

4. It will be seen from the Statement A. (actual expenditure) that, under the head of "New Works," a well has been completed; a public latrine and a dust-box have been constructed at Thekiya to meet the requirements of the people of that portion of the Municipality in point of sanitation; and four new roads of great public utility have been opened out during the year under reference; and, likewise, the main drain running through Thekiya bazaar has been cleaned out and the sides built up with laterite and chunam for the preservation of the road during the monsoon.

5. Under the head of "Repairs" a sum of Rupees 273-13-9 has been expended in cleaning a tank at Thekiya, in repairing six latrines in the Municipality with alterations to admit of greater accommodation to the public, as also in repairing a road and a small drain, together with several other repairs to roads and drains by the Municipal Conservancy coolies as occasion required.

6. A sum of Rupees 2,518-11-4 has been expended under the head of "Conservancy" for payment of an Overseer and a Maistry employed in superintending the different works carried out by the Municipality and in reporting nuisances and enforcing cleanliness, &c.; the hire of coolies engaged in cleaning out drains and effecting repairs to many parts of the roads; and of carts for removing rubbish, &c., deposited in dust-boxes. Requisite staff of toties have been maintained in the up-keep of latrines and sweepers in cleaning the principal roads in the Municipality. An expense of Rupees 120 has been incurred in the payment of a Vaccinator for the benefit of the residents in the cantonment.

7. The item of expenditure shown under the head of "Police" is the charges in respect thereof paid for 1869-70, the payment of the cost for the current year not having as yet been made.

8. The accounts of the Municipality have been examined up to date by a paid auditor, and the statement embodying the result of the audit is herewith submitted.

9. Having* recently brought to notice the great difficulties experienced by this Municipality in efficiently carrying out sanitary measures owing to the "Karar" question not having been definitely settled, I do not consider it necessary to refer to that subject again in this report.

* Letters, Nos. 295 and 296, dated 28th April 1871.
Letter, No. 1, dated 1st May 1871.

No. 146. ORDER THEREON, 26th August 1871, No. 1314.

The marginal statement shows the sums received by the Municipal Commissioners of Cannanore during the year 1870-71. It is not clear whether the statement includes any arrears; but, as the demands outstanding at the close of the year 1869-70 were stated to be irrecoverable, the Government assume that no arrear collections were made. The Commissioners drew Rupees 2,007-4-5 as State contribution for 1869-70, but only Rupees 1,533-13-11 were due to them (G. O., 12th October 1870, No. 1280). The excess has, therefore, been entered as appertaining to 1870-71.

the cost of constructing a well, but the amount must be small. The rest of the expenditure is correctly arranged. The amount is Rupees 5,991-14-5.

3. The Inspector-General of Police, with the letter above recorded, forwards correspondence, whence it appears that

the Commissioners hold that the cost of the Police was not payable till after the close of the year. This view is, of course, incorrect. It was the President's duty to see that the monthly instalments were paid regularly in advance. The Commissioners have paid during the year under review, for 1869-70, Rupees 603-4-7. This is sufficient to clear Rupees 804-6-1. Including this excess the expenditure under Section 25 has been Rupees 6,192-15-11, of which one-fourth, Rupees 1,548-3-11, is the State contribution. The Commissioners have drawn Rupees 473-6-6, and have been allowed credit above for Rupees 201-1-6; total Rupees 674-8-0. The balance of State contribution due to them is, therefore, Rupees 873-11-11.

4. The Police Superintendent's account showing the actual cost of the Police

for the two years should have been forwarded. From the President's letter the cost appears to have been Rupees 2,475-7-6, and Rupees 1,671-1-5 are, therefore, due. The Government will allow State contribution on this debt,

reducing it to Rupees 1,253-5-1. Setting off the balance of State contribution, all adjustments will be effected by a payment to Government from the balance at the Commissioners' disposal of Rupees 379-9-2. The President will see that this is at once made.

Public Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the

Inspector General of Police dated 11th August 1871, No. 5,194.
Ag. President of the Muni. Commission, Cannanore, d. 14th Aug 1871
No. 26.

Order thereon - 26 Aug 1871 No 13/4.

The marginal state-
ment shows the sums re-
ceived by the Municipal Com-
missioners of Cannanore du-
ring the year 1870-1. It is
not clear whether the state-
ment includes any arrears,
but as the demands out-
standing at the close of the
year 1869-70 were stated to
be irrecoverable, the Govt
assumes that no arrears
collections were made. The
Commissioners drew Ru-
pees

Ruppes 2,007-4-5 as State Contribution for 1869-70, but only Rs 1,533-13-11 were due to them (by O. 12th October 1870, N: 1,280) The excess has therefore been entered as appertaining to 1870-1.

2. Under New Works the Commissioners have included, but not shown separately, the cost of constructing a well, but the amount must be small. The rest of the expenditure is correctly arranged. The amount is Rs 5,991-14-5.

New Works	1,449-4-5
Repairs	243-13-9
Conservancy	2,518-11-4
Police	603-4-7
Establishment	1,146-12-4
Balance	5,991-14-5
	1,648-13-5
	764-0-11

3. The Inspector General of Police with the letter above recorded forwards correspondence whence it appears that the Commissioners hold that the cost of the Police was not payable till after the close of the year. This view is

is of course incorrect. It was the President's duty to see that the monthly instalments were paid regularly in advance. The Commissioners have paid during the year under review, for 1869-70, Rs 603-4-7. This is sufficient to clear Rs 804-6-1. Including this excess, the expenditure under section 25 has been Rs 6,192-15-11 of which one fourth, Rs 1,548-3-11, is the State Contribution. The Commissioners have drawn Rs 1,173-6-6 and have been allowed credit above for Rs 201-1-6 - total Rs 674-8-0. The balance of State Contribution due to them is therefore Rs 873-11-11.

4. The Police Superintendent's account showing the ac-
-tual

actual cost of the police
for the two years should
have been forwarded. From

the President's letter the
cost appears to have been
Rs 2,475-7-6, and Rs 1671-
1-5 are therefore due. The

Govt will allow State contri-
bution on this debt, redu-
cing it to Rs 1,253.5-1. Set-

ting off the balance of State
Contribution, all adjustments

will be effected by a pay-
ment to Govt from the
balance at the Commis-

sioners' disposal of Rs
379-9-2. The President
will see that this is at

once made.

1869-70 —	Rs 1,186-12-4
1870-71 —	" 1,288-11-2
	2,475-7-6
