No. 166. Read the following letter from the Acting President of the Municipal Commission, Gooty, to the Chief Secretary to Government, Fort St. George, dated Gooty, 8th August 1871, No. 30 :—

The Gooty Municipal Commission consists of a President, Vice-Presidents Mr. Gray, and three non-official members.

2. Of the non-official members, Abdul Bacid is very often absent; but, as he is Kazi, he is from his position a man of some influence. I should wish him to remain on the Commission.

3. Mr. Gray is the Range Officer; he never attends any meeting of the Commission, though he has been requested to do so more than once. The late President addressed the Superintending Engineer on the subject, and he has replied that Mr. Gray has other work to attend to, and he does not think it wrong in Mr. Gray to absent himself persistently.

4. For the moment, there is only one person for President and Vice-President, so that, unless I come from Bellary for every meeting, a meeting could not well be got together.

5. Under these circumstances, I have the honour to request that, under Section 7 of Act III. of 1871, Mr. Gray's name may be removed from the list of Commissioners.

6. I may remark that Government ought to provide the Commission with some professional adviser on roads and such works. Surely Government cannot intend only to pass orders on our proceedings and refuse advice when we ask it; and we cannot well write up to Government whenever we want some professional advice.

7. I would propose that the following members be added to the Commission :—

Official.

K. Nursinga Row, Tahsildar of Gooty.

Mr. W. Manella, Apothecary.

T. Soobramonya Pillay, Sub-Collectorate Dresser.

Non-Official.

Goontah Venkiah.

Syed Fakroodeen Saib.

No. 167. ORDER THEREON, 30th August 1871, No. 1334.

The Government regret to find that the Range Officer Mr. Gray, who is a member of the Municipal Commission at Gooty, takes so little interest in the proceedings of the Commissioners as never to attend a meeting, and are surprised to learn that the Superintending Engineer sees nothing reprehensible in his persistently absenting himself. These Officers will be called on to submit an explanation through the Public Works Department.

2. Meanwhile the annexed Notification will be published.

This should be circulated
 I think with the help
 of the Range Officer & should
 be called upon for an ex-
 planation. If it be really
 the case that in the past
 & sufficient cause the latter
 has been sent down & from
 the history of the Com. to
 which he was appointed by
 Act and that the former has
 sub.

supported him, I think that
Kangas officed. He said he sent
the letter to the South. I think
that it was by the way of the
different. I am not from the
in his position.

I would in the other
event - more the Kangas officer
because if we called to
attend, he will only make
them to be in the other. The change
had but was not any loss to
the. I am not from the
in the other. I am not from the
in the other. I am not from the
