*Proceedings of the Madras Government, Public Department,
7th September 1871.*

No. 24. Read the following letter from the Acting Collector of Bellary, to the Chief Secretary to Government, Fort St. George, dated Bellary, 28th August 1871, No. 77 :—

With reference to the Proceedings of Government, No. 1185, dated August 7th, 1871, I have the honour to inform you that the Municipal Commissioners consider that 18 Rupees a month rent for the office they are at present occupying is exorbitant; they offer to pay Rupees 5 a month, and agree not to charge any house-tax for it. I recommend Government to agree to this. If Government declines, the Municipal Commission will vacate the building; but I think Government should continue to let the Commission have the building rent free, not permanently, but for the present, until Government can find some other use to which to put it.

2. If the Municipal Commissioners leave the building, it is most probable that it will fall into ruins, so Government will derive no benefit from that.

No. 25. ORDER THEREON, 7th September 1871, No. 1376.

The rent of Rupees 5 per mensem may be accepted if the Commissioners will undertake to execute ordinary repairs.
