16th September 1871.

No. 69. Read the following letter from J. B. PENNINGTON, Esq., Secretary to the Board of Revenue, to the Chief Secretary to Government, Fort St. George, dated Madras, 6th September 1871:—

With reference to Government Order, No. 985, dated 6th July 1871, I have the honour to report that the Board of Revenue have transferred the estimates for providing direct means of access to certain wells in the Chepauk compound to me for disposal.

2. I request that I may be informed whether I am to pay for this work out of the general funds placed at my disposal by Mr. Robinson, and whether I am also to pay for similar work required to be done to the other wells in the compound.

3. I observe that, in case of the wells being handed over to the Municipality (as they will be practically), Mr. Loch would be willing to pay for the proposed improvements.

4. I may add that the estimates (Rupees 720) appear to me to be susceptible of considerable reduction, as to which point I am in communication with Captain Hunter.

No. 70. ORDER THEREON, 16th September 1871, No. 1405.

The Government are willing that these wells should be handed over to the Municipality of Madras on the condition of their making the improvements approved by the Government and maintaining the wells in repair. Mr. Pennington will place himself in communication with the President on the subject.
