Madras
6th September 1871.

To,

The Chief Secretary
to Government

Sir,

With reference to Government Order No 985
dated 6th July 1871, I have the honor to report
that the Board of Revenue have transferred the
Estimates for providing direct means of access
to certain wells in the Chepauk Compound
to me for disposal.

2. I request that I may be informed what
I am to pay for this work out of the general
funds placed at my disposal by Mr Robinson,
and whether I am also to pay for similar work
required to be done to the other wells in the
Compound -

3. I observe that in case of the wells
being handed over to the Municipality (as they
will be practically) Mr Loach would be
willing to pay for the proposed improvements -

4. I may add that the estimates (Rs 720)
appear to me to be susceptible of considerable

reduction

in relation as to which point I am in commu-
nication with Captain Bentes -

I have the honor to be
Sir,

Your Most Obedient Servant

J. H. Remington

To,
The Chief Secretary
to Government.
