*Proceedings of the Madras Government, Public Department,
30th September 1871.*

Read again letter from the Sanitary Commissioner for Madras, dated 2nd February 1871, No. 149, recorded in Proceedings of Government, dated 18th February 1871, No. 226.

Read also the following papers:—

No. 150. From the Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 2nd June 1871, No. 674.

With reference to the Order of Government, No. 226, of 18th February 1871, I have the honour very respectfully to request that the subject of the 9th paragraph of my letter, No. 149, of 2nd February, may be taken into consideration in the Budget provision of my Office Establishment for the year 1871-72, and that sanction may be accorded to the proposed increase of salary of the Office Manager.

No. 151. From the Chief Secretary to the Government of Bombay, General Department, to the Acting Chief Secretary to Government, Fort St. George, dated Bombay Castle, 23rd June 1871, No. 1682.

I am directed by the Right Honourable the Governor in Council to acknowledge the receipt of your letter, No. 813, dated the 13th instant, and, in reply, to state, for the information of the Government of Madras, that the detail of the establishment and salaries of the Sanitary Commissioner's Department in this Presidency is as follows:—

	Per month. RS.
Sanitary Commissioner	2,000
One Head Clerk... ..	100
One Assistant	60
One do.	50
Four Peons, at Rupees 7 each	28
Total...	2,238

No. 152. From the Chief Secretary to the Government of Bombay, General Department, to the Acting Chief Secretary to Government, Fort St. George, dated Bombay Castle, 14th July 1871, No. 1910.

Adverting to my letter, No. 1682, dated 23rd June last, I am directed by the Right Honourable the Governor in Council to state, for the information of the Government of Madras, that this Government has just sanctioned a revision of the establishment of the Sanitary Commissioner in this Presidency resulting in an increase of Rupees (159) one hundred and fifty-nine per month, so that the establishment will now stand thus:—

No. 153. From the Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 30th August 1871, No. 1222.

I have the honour to acknowledge receipt of your memorandum, dated 3rd July 1871, No. 175, and to explain, in reference to the delay in replying thereto, that I have only lately returned from a tour of inspection.

2. The comparison made between the Office Establishment of the Sanitary Commissioner for Bombay and my own is not at the present time a reliable one, for I have ascertained that the Sanitary Commissioner for Bombay, feeling his establishment quite unequal to the duties of the office, applied for and obtained sanction for three additional clerks.

The correct expenditure of the Sanitary Commissioner's Office for Bombay is as follows:—

OFFICE ESTABLISHMENT.

<i>Correspondence.</i>		Monthly salary.
		RS.
1. Head Clerk (Manager)		120
2. Assistant Clerk		30
<i>Statistical.</i>		
3. Assistant Clerk...		70
4. Do. do.		60
5. Do. do.		50
6. Do. do.		40
7. Three Peons on 7 Rupees each		27
Total...		397

3. In regard to a comparison as to the amount of work performed in the two offices, I must remark that the vital statistics of this Presidency from its larger population, larger army, and more numerous jails, &c., must necessarily involve more labour in proportion than those of the smaller Presidency.

4. I beg to append a list of the duties devolving on the office establishment, and, in regard to the special cholera inquiry, I can assure Government that the work cannot be performed at a smaller expenditure.

5. In the proposition submitted by me on the 2nd February 1871, I gave reasons for recommending an increase of salary to the Manager of my office from Rupees 100 to Rupees 130, and I trust that Government may be pleased to consider favourably the application, now that it is shown that, in comparison with the amount of work done, the expenses of my office establishment are not proportionately so high as those of Bombay.

*Proceedings of the Madras Government, Public Department,
30th September 1871.*

No. 154. ORDER THEREON, 30th September 1871, No. 1493.

On consideration of the foregoing papers, His Excellency the Governor in Council is pleased to sanction an increase of Rupees 20 to the pay of the Manager of the Office of the Sanitary Commissioner, Madras, so as to equalize it with the pay of the Head Clerk of the Sanitary Commissioner in Bombay.

2. The present cost of the establishment of the Sanitary Commissioner, Madras, is Rupees 379, viz.,

	RS.
Permanent	324
Temporary	55

With the addition of Rupees 20 to the Manager's pay, the cost per mensem will be Rupees 399, or Rupees 2 in excess of that* of the establishment of the Sanitary Commissioner in Bombay.

*Rupees 397.

3. The temporary clerks on Rupees 30 and Rupees 25, sanctioned in G. O., dated the 18th February last, No. 226, will be brought on the permanent establishment, which will consist, in future, as follows, viz.:—

<i>Permanent.</i>		RS.
One Manager		120
First Clerk		50
Second do.		30
Third do.		25
<i>Statistical.</i>		
One Clerk		50
One do.		35
One do.		30
One do.		25
Moochie		10
Three Peons, at 7 Rupees each		21
Sweeper		3
Total...		399

4. The increase to the pay of the Manager will be met, during the current year, from savings under "Medical Services, Provincial."
