No. 102. Read the following letter from the Acting Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 17th August 1871, No: 273:—

I have the honour to submit, for the consideration and orders of Government, an application from Hospital Assistant P. Moonesawmy for employment as a Sub-Assistant Surgeon.

2. Hospital Assistant P. Moonesawmy was permitted, under G. O., No. 3252, of the 15th September 1869, to return to the Medical College to study for this grade, and having, at the close of the prescribed course of two years, passed a successful examination, he is now qualified for promotion.

3. In G. O., No. 212, of the 19th February 1870, however, the Supreme Government directed that the establishment of Sub-Assistant Surgeons in this Presidency should not be increased beyond the complement hitherto entertained; but, as P. Moonesawmy had commenced his studies prior to that date, I beg to submit his application for the favourable consideration of Government.

4. In the communication marginally noted, the Collector of Coimbatore requested, on behalf of the Dispensary Committee of Pollachy, that a Sub-Assistant Surgeon might be placed in charge of that institution, in lieu of a Native Surgeon transferred to the more important station of

Conjeveram. At that time the wishes of the Committee could not be met, there being no officer of the grade available, but on receipt of P. Moonesawmy's application, I addressed the Collector with the view of ascertaining whether the Committee are still desirous of having a Sub-Assistant Surgeon in preference to a Hospital Assistant. His reply is attached, and it will be observed that the inhabitants again express a wish that a Sub-Assistant Surgeon should be put in charge of the Dispensary.

5. I have, therefore, the honour to recommend that second-class Hospital Assistant P. Moonesawmy, No. 615, may be promoted as a supernumerary to the grade of Sub-Assistant Surgeon, and be posted to the Civil Dispensary, Pollachy.

From P. MOONESAWMY, Hospital Assistant, to the Secretary to the Inspector-General, Indian Medical Department, Fort St. George, dated Madras, 6th July 1871.

I most respectfully beg to submit, through you, the following for the kind consideration of the Inspector-General, Indian Medical Department.

2. Under the provisions G. O. G. G., No. 550 of 1868, paragraphs 34 and 47, I was specially recommended by the medical officers on the Hills and the Deputy Inspector-General of the Division to be allowed to attend the Medical College for an extended period of two years, to qualify for the grade of Sub-Assistant Surgeon, and Government have in their Proceedings, No. 3252, dated 15th September 1869, sanctioned my joining the College with that view.

3. Since I entered the College I struggled hard, and I have successfully passed my final examination and received the certificate of qualification for the grade of Sub-Assistant Surgeon, and I now venture respectfully to express a hope of being rewarded for my labour with an appointment in conformity with the order under which I applied to qualify for the grade of Sub-Assistant Surgeon.
