*Proceedings of the Madras Government, Public Department,
21st October 1871.*

No. 108. Read the following letter from the Officiating Accountant-General, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 27th September 1871, No. 274 :—

Book Department.

I have the honour to report, for the information and orders of Government, that the Chartered Mercantile Bank of India, London, and China has submitted to this office, for payment, the enclosed account, amounting to Rupees 509-15-5, being the balance claimed by Captain E. D. Lyon in full of charges in connexion with the supply of photographs, to which reference is made in the Order of Government, No. 749, dated 11th June 1870, Public Department.

2. I would observe that Government, in the 5th paragraph of the above Order, directed that, until that Officer furnished a detailed account of all the charges incurred by him, no further payments should be made to him; the account now sent does not include all the sums Captain Lyon has received, nor does it seem sufficiently in detail.

No. 109. ORDER THEREON, 21st October 1871, No. 1594.

In their Order, No. 749, dated 11th June 1870, the Government directed that no further payment should be made to Captain Lyon on account of the photographs of architectural remains executed by him, until Captain Lyon should furnish a detailed account of all the charges incurred by him from the commencement of the work. Captain Lyon was also requested to state the price at which he would be prepared to sell the negatives of these photographs.

2. Captain Lyon has now submitted an account amounting to Rupees 509-15-5, being the balance due to him in full of charges in connexion with the supply of photographs, but he has not furnished the detailed statement which was required, nor has he afforded any information regarding the sale of the negatives.

3. The Government will not, however, further delay closing the account with Captain Lyon, and sanction the payment, by the Accountant-General, of the amount now claimed.

4. Captain Lyon will be requested to communicate directly with the Secretary of State for India regarding the sale of the negatives.

5. A copy of these Proceedings will be sent to the Secretary of State for India.
