Proceedings of the Madras Government, Public Department,

15th November 1871.

No. 26. Read the following letter from the Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort St. George, dated Madras, 7th November 1871, No. 1617:—

I have the honour to bring to the notice of Government that the Accountant-General has declined to pass the salary of the Draughtsman attached to my office without the sanction of Government, inasmuch as it does not appear to be included in the amount recently sanctioned for my office establishment under G. O., No. 1493, dated 30th September 1871.

2. I beg to observe that the appointment of Draughtsman was included in the tabular statement forwarded with my letter, No. 149, dated 2nd February 1871, applying for an increase of establishment, and also in the tabular statement

which accompanied the memorandum* of the Under Secretary to Government, calling upon me to show

cause for the increase solicited, in comparison with the Bombay Sanitary Commissioner's office establishment, the appointment of the Draughtsman is shown. But, by an oversight, it would appear that his salary has not been included in the amount sanctioned for my office establishment, and such being the case, the Accountant-General declines to pass his abstract without the sanction of Government. I beg, therefore, to solicit that Government may be pleased to authorize the disbursement of the salary of the Draughtsman attached to my office, and to sanction its inclusion in the expenditure of my office establishment, which will then amount to Rupees 439 instead of Rupees 399 as sanctioned in G. O., No. 1493, dated 30th September 1871.

3. I may observe that a Draughtsman is essentially necessary for my office, and his appointment was especially sanctioned by Government in G. O., No. 3548, dated 11th September 1868, Military Department, on the urgent representation of the Sanitary Commissioner at that time.

No. 27. ORDER THEREON, 15th November 1871, No. 1691.

Under the explanation afforded by the Sanitary Commissioner, the Government authorize the inclusion of the pay of Rupees 40 of the Draughtsman attached to the Sanitary Commissioner's Office, in the revised scale of establishment sanctioned in G. O., dated the 30th September last, No. 1493.

2. The aggregate cost of the establishment, with this addition, will amount to Rupees 439 per mensem.
