Proceedings of the Madras Government, Public Department,

17th November 1871.

No. 40. Read the following letter from the Under Secretary to the Government of India, Home Department (Public), to the Chief Secretary to Government, Fort St. George, dated Simla, 2nd November 1871, No. 5069 :—

I am directed to acknowledge the receipt of your letter, No. 1496, dated the 3rd ultimo, proposing that the rule under which two months' leave is granted to Junior Civil Servants, who have passed the examination in Oriental languages, may be so altered as to allow the second month's leave being reckoned from the date on which it is availed of, instead of from the expiry of the first month's leave.

2. In reply, I am desired to state that it is not intended that an officer should take the whole of the first month before presenting himself for examination, but that he should go up in time to allow the result to be declared prior to the expiration of the first instalment of the leave. As this would give him about twenty-five clear days for uninterrupted study, and as the result is usually declared on the evening of the final day's papers, or next morning, the Governor-General in Council sees no reason to change the existing rule.

No. 41. ORDER THEREON, 17th November 1871, No. 1702.

Communicated to the Collector of Chingleput with reference to his letter, dated the 13th September last, No. 222. Also to the Revenue Department and Accountant-General with copies of Proceedings of Government, dated 3rd October 1871, Nos. 3 and 4.
