Proceedings of the Madras Government, Public Department,
21st November 1871.

No. 62. Read the following letter from the Acting Magistrate of Trichinopoly, to the Chief Secretary to Government, Fort St. George, dated Trichinopoly, 7th November 1871, No. 51 :—

I have the honour to report that the annual festival of Streerungum commences on the 12th proximo. As the Municipal Commission of this town is only just commencing operations, and collections will not begin to come in for a month or two, the requisite sanitary arrangements should on this occasion, I suggest, be made at the expense of Government.

2. The Government will be relieved of this charge from next year, for the Municipality will be in a position to meet the outlay in future.

3. I beg, under these circumstances, to request that you will be good enough to obtain the necessary orders for placing at my disposal the sum of Rupees 600. The expenditure incurred last year was Rupees 530-10-10, and I will endeavour to keep this year's expenditure within that amount.

4. At the close of the feast I will submit a statement showing the actual expenditure incurred. Early orders are solicited.
