*Proceedings of the Madras Government, Public Department,
21st November 1871.*

No. 68. Read the following letter from the President of the Municipal Commission, Nellore, to the Chief Secretary to Government, Fort St. George, dated Nellore, 31st October 1871, No. 81 :—

With reference to the report called for in paragraphs 2, 3, and 4 of G. O., No. 1291, dated 21st August 1871, I have the honour to state—

1. That Government have erroneously charged the Police with the cost of improvements made to the Station-house during the last official year; the amount in question, Rupees 53-3-9, must be met by the Magistrate from savings under “ Law and Justice,” as per G. O., No. 1316, dated 21st October 1868. Steps will be taken to recover the amount from the Magistrate.

2. The refund by Police of Rupees 262-15-9 on account of over-payments in the year 1869-70, referred to by the Auditor and struck out of the accounts of 1870-71, but which will appear in the accounts of the current year, is simply the difference between the budgetted amount paid in full by the Municipality and the amount actually disbursed by the Superintendent of Police.

3. No payments were made in May 1871 on account of Police for April 1870, the payments having been made in advance.

No. 69. ORDER THEREON, 21st November 1871, No. 1735.

As stated by the President, the sum of Rupees 53-3-9 expended on improvements to the Station-house is recoverable from the Magistrate. As the State contribution was struck on the current receipts, no adjustment is necessary on that account.

2. The bill of the Superintendent of Police, submitted to Government with the accounts of 1869-70, showed disbursements exactly equal to the receipts. Further explanation is, therefore, required. Either the bill must be shown to be incorrect, or the money refunded to the Commissioners must be repaid to Government.
