THE CHIEF SECRETARY TO GOVERNMENT,

DEPARTMENT.

SIR,

I have the honor to state for the information of Government, that the quarters furnished to the Government Apothecary attached to the Limatic Asylum at Mallam having been considered to be inferior to what he is entitled by regulation, the Executive Engineer Vizagapatam was requested to pronounce upon the quarters, and that Officer after personal inspection certified that the rent of Rs 20 now stopped from his pay is "by far too much," and that the amount should be limited to 10 rupees, which in his opinion was an equitable charge with reference to the prevailing rates of house rent. The Apothecary accordingly drew the difference of house rent as compensation for quarters, acknowledged to be "inferior" by competent authority. The Accountant General however has retrenched the amount as inadmissible under the Government of India's Order No 347 dated 12 June 1878 "unless specially sanctioned by Government." I have therefore the honor to solicit the special

Special sanction required by that Office.
