2. I have the honour to ask the permission of His Excellency the Governor in Council to comply with these requisitions so far as the medical establishment may admit, or by obtaining qualified persons from amongst the pensioned Apothecaries and Hospital

Assistants, or other qualified persons, and Government may, perhaps, if there be no objection, be pleased to invest me with authority to dispose of future similar applications, reporting for the information of His Excellency the Governor in Council the action taken.

No. 103. ORDER THEREON, 24th November 1871, No. 1764.

The employment of medical subordinates by Local and Municipal bodies involves financial consequences which ought first to be sanctioned by Government.

2. Proposals for such employment should be made to Government by the Presidents, and if approved will be transferred to the Inspector-General, Indian Medical Department, who will then comply as best he can with the requisitions made.
