*Proceedings of the Madras Government, Public Department,
27th November 1871.*

No. 104. Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to the Chief Secretary to Government, Fort St. George, dated Mannantoddy, 21st November 1871, No. 78 :—

I have the honour, with reference to the subject of G. O., dated 10th November 1871, No. 1669, to inform you that the Eclipse Committee appear to have made a mistake in proposing to land the Mannantoddy party at Calicut, as it would be far better that this party should land at Cannanore together with the party designed for Gunote.

2. There is a good cart road from Cannanore to Manantoddy up the Peria ghaut, with public bungalows at convenient intervals; the distance is considerably shorter than from Calicut, and the facilities for travelling in all respects superior.

3. I suggest, therefore, that a letter should be written to the Officer in charge, to be delivered by the Master Attendant on the arrival of the Steamer at Beypoor, informing him that the Mannantoddy party should be landed at Cannanore. A telegram to the same effect might also be forwarded to Galle.

No. 105. ORDER THEREON, 27th November 1871, No. 1765-A.

Resolved that the following telegraph message be sent to Mr. J. Norman Lockyer at Point-de-Galle, and that copies of it be sent to the Collector of Malabar and to the Master Attendant at Beypore :—

“ Please arrange that Eclipse party for Manantoddy should land at Cannanore instead of at Calicut. Facilities for travelling from Cannanore better than from Calicut.”

2. Mr. Macgregor will make the necessary arrangements to send on the Eclipse parties from Cannanore to Gunote and Manantoddy respectively, and the Master Attendant at Beypore will, on the arrival of the Admiralty Steamer at Beypore, be instructed to deliver the packet containing a copy of these Proceedings to the address of the Officer in charge of the Eclipse party proceeding to Manantoddy.
