Proceedings of the Madras Government, Public Department,
9th February 1871.

No. 35. Read the following letter from the Inspector-General of Police, to the Chief Secretary to Government, Fort Saint George, dated Oolundoorpet, 27th January 1871, No. 554 (Account) :—

With reference to paragraphs 2, 3, and 6 of G. O., No. 1641, dated 15th December, I have the honour to forward the explanation of the Superintendent of Police regarding the difference between estimated and actual charges for Police in Tanjore, Negapatam, and Mannargudi. It appears from the Superintendent's statement that, owing to casualties and transfers among the Inspectors, it was found necessary for a time to employ men of a lower grade than that sanctioned. The actual pay only of such Inspectors was charged in the statement submitted to the Commissioners.

2. Among men of the lower grades also casualties occurred which, from a variety of circumstances, it was impossible to fill up at once. No charge was made in the statement for the interval between the date of a casualty occurring and the vacancy being filled up.

No. 36. ORDER THEREON, 9th February 1871, No. 178.

To be recorded.

(True Extract.)

R. S. ELLIS,
Chief Secretary.

No 12 1871-72
Office of the Sup^d of Police
Tanjore 11 January 1871

From Captain W. S. Canth
of Superintendent of Police
Tanjore
To Captain W. Robertson
of Asst. Insp. Genl of Police
Madras

Sir With reference to your enclosure
No 37 dated 5th Instant and Government
Order No 1641 dated 15th December last
I have the honor to report that the dif-
ference in the actual Cost of Police
and the estimated amount in the year
1869/70 was chiefly owing to a lower
grade of Inspectors being employed
in the Tanjore referred to in the Government
Order than was estimated for. I have
in Tanjore a 3^d class Inspector was
employed from the 1st April 1869 until
February 1870, when a 1st class Inspector
was posted and promoted; hence the
Inspectors pay for the year was 1044
Rupees less than it would have been
had a 1st class Inspector been
employed for the whole year as esti-
mated for. In Nagapattinam from
May 1869 to September 1869 a 6th class
Inspector was employed who resigned.
From September 1869 to February 1870
a 4th class Inspector who died, and
a 3^d class Inspector from February
to 31st April 1870. These foregoing
changes

Cost of 1871
