*Proceedings of the Madras Government, Public Department,
13th February 1871.*

Read the following papers :—

No. 43. From the Inspector-General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 21st December 1870, No. 323.

I have the honour to submit, for the favourable consideration of Government, the accompanying correspondence having reference to a charge incurred by the Deputy Inspector-General of Hospitals, Southern District, in connexion with examining two candidates for Uncovenanted Civil Service pension by an Invaliding Board.

2. A similar charge is admissible in the Military Department under paragraphs 226 and 227, Section 17, of the Pay and Audit Regulations, and I would respectfully recommend that the principle be declared applicable to the Civil Department also, as the office establishment of Deputy Inspectors-General is insufficient to meet cases of the kind, and at the same time to overtake the scriptory work that legitimately belongs to it.

No. 44. From the Deputy Inspector-General, Indian Medical Department, Southern District, to the Secretary to the Inspector-General, Indian Medical Department, Fort Saint George, dated Trichinopoly, 31st January 1871, No. 335.

In accordance with the instructions conveyed in the Memorandum* which accompanied your's No. 130 of the 11th instant, I have the honour to state that, in the examination of a candidate for pension, four letters and proceedings have to be prepared and recopied for record in the office books. It often happens, in such cases, that more than one candidate for pension is examined, thus doubling the clerical work, or it may be, and, indeed, often is, that, for want of further information, the Committee meeting is adjourned, thus necessitating correspondence. In such cases, only one day's writer's allowance is claimed, although the work may have to be prolonged for two or more days.

2. In my letter, No. 3619, of the 19th ultimo, I have called attention to the very onerous clerical work which now devolves on the limited office establishment now sanctioned, and I, therefore, respectfully beg to solicit that Government will be pleased to sanction the extension to such cases of a like remuneration as is provided in the Military Department.—*Vide* paragraphs 226 and 227, Section 17, Pay Code.
