Proceedings of the Madras Government, Public Department,

7th February 1871.

No. 29. Read the following letter from Lieut.-Colonel J. MICHAEL, Honorary Secretary to the Madras Committee for the International Exhibition of 1871, to the Chief Secretary to Government, Fort Saint George, dated Madras, 4th February 1871 :—

I am desired by the Committee for the Exhibition of Fine and Industrial Arts for 1871, to request that you will solicit the Government to place a sum of Rupees 2,000 at my disposal for current expenses, pending sanction to an application which has been made to the Government of India, through the Central Committee in Calcutta, for a grant of Rupees 5,000.

No. 30. ORDER THEREON, 7th February 1871, No. 163.

*Proceedings of the Madras Government Revenue Department,
8th February 1871.*

No. 112. Read the following Proceedings of the Board of Revenue:—

Submitting letter from the Collector of the Godavery District proposing plans for taking of Census in Municipalities. (Here enter 27th January 1871.)

No. 113. ORDER THEREON, 8th February 1871, No. 260.

Miscellaneous.

THE Government authorize the Board to supply a sufficient number of the Census forms now being printed in Madras to all Municipalities. No charge need be made, but should the opinion* of

* G. O., dated 2nd December 1870, No. 1,914.

this Government that the cost of the Census in Municipalities should be borne half by the State and half by the Municipality be endorsed by the Supreme Government, the cost of the forms must be estimated as part of the State contribution.

2. The returns from Mofussil Municipalities as well as those from the districts should be tabulated in the Board's Office; but the results of the Census in each Municipality should be separately and clearly shown in the final statement prepared.

3. Any attempt at the classification of castes in the Mofussil will probably embarrass the classification which the Board may adopt in digesting the returns. The instructions in regard to filling up the column for "caste or class," given by the Board in their memorandum of instructions to Enumerators in the districts may, in the opinion of Government, be followed with advantage in Municipalities.

4. The Government will abstain from any observations on the proposed conduct of the Census in the Municipalities of the Godavery District until the Board have laid before them the reports of all the other Collectors on the same subject. It is requested that the transmission of these may be expedited.
