*Proceedings of the Madras Government, Public Department,
16th February 1871.*

No. 55. Read the following letter from the Collector of Cuddapah, to the Chief Secretary to Government, Fort Saint George, dated Cuddapah, 31st January 1871, No. 5:—

I have the honour to report, with reference to paragraph 3, G. O., 5th April 1867, No. 358, that the Dispensary at this station, under the management of Dr. Iyaswamy Pillay, Acting Zillah Surgeon, continues to prosper, and that its usefulness and acceptability to the native community are manifest from the fact that the total number of cases treated during 1870 amounted to 11,155, of which 371 were in-patients and 10,784 out-patients, the latter being 3,327 in excess of 1869. The number of capital operations was nineteen. People of all classes have attended for advice and treatment, several coming from the remotest parts of the district.

2. The institution is, and has been since September 1862, self-supporting, the expenditure being met from the interest of the funded capital of Rupees 50,000 in five per cent. Government paper. Upwards of Rupees 1,800 were paid during the year for the up-keep of the branch Dispensary at Madanapally.

3. It is in contemplation to build an operating room with the necessary furniture, and to erect a few detached huts for the use of caste people from the interior of the district so as to increase the usefulness of the institution.

4. The entries in the Visitors' Book show that general satisfaction has been expressed with regard to the cleanliness of the building and the manner in which the patients are attended to by the Hospital Assistant in charge.

No. 56. ORDER THEREON, 16th February 1871, No. 209.

His Excellency the Governor in Council is pleased to learn, from the foregoing report from the Collector of Cuddapah, that the native community appreciate the usefulness of the Civil Dispensary at Cuddapah and that no less than 11,155 patients were treated at the institution during the year 1870.

2. The Dispensary is, it is observed, self-supporting.

3. The Government desire to receive in future, with the annual report of the Collector, the report of the Medical Officer in charge of the Institution, and an Account Current of the receipts and disbursements during the year.

(True Extract.)

Chief Secretary.

To the Collector of Cuddapah.

„ Inspector General, Indian Medical Department.

From
C. S. Master Esquire
Collector of
Cuddapah
To
The Honorable R. S. Ellis Esq. C. S.

Chief Secretary to Government,
Fort Saint George.

Sir
I have the honor to report with reference to
para 3 G. O. 5th April 1867 N^o 358 that the
Dispensary at this Station, under the manage-
ment of D^r Sivaswamy Pillay Acting Zillah
Surgeon, continues to prosper and that its
usefulness and acceptability to the Native
Community are manifest from the fact that
the total number of cases treated during 1870
amounted to 11,155 of which 371 were in-patients
and 10,784 out-patients, the latter being 3329
in excess of 1869. The number of capital
operations was 19. People of all classes have
attended for advice and treatment, several
coming from the remote parts of the District.
2. The institution is, and has been since
September 1862, self supporting; the expenditure
