*Proceedings of the Madras Government, Public Department,
18th February 1871.*

No. 62. Read the following letter from the Collector of Kurnool, to the Chief Secretary to Government, Fort Saint George, dated Kurnool, 30th January 1871, No. 19:—

I have the honour to forward Dr. Arnold's report on the Civil Dispensary for the year 1870.

2. During the whole year under report there was not a single case of cholera throughout the whole district, and not very much fever.

3. It may be necessary to explain in the financial statement under "Credits" the item "Local or Famine Fund," 1,000 Rupees. This is a portion of the amount of private subscriptions made towards the famine funds in 1866, and returned by the Secretary in Madras to allot as the Committee here thought fit. The total amount thus remitted was Rupees 1,768-1-6, of which 1,000 Rupees was allotted to the Civil Dispensary at Kurnool, Rupees 268-1-6 to the Sanscrit and Telugu School at Kurnool, and 500 Rupees to the Civil Dispensary at Cumbum.

No. 63. ORDER THEREON, 18th February 1871, No. 215.

The Government consider the report on the Civil Dispensary at Kurnool for 1870 to be satisfactory. There was no epidemic disease during the year, and the number of deaths among the patients treated at the Dispensary was considerably less than in 1869, although there was a large increase in the number who resorted to the institution for medical aid.

2. The financial condition of the institution is also satisfactory. The Dispensary Committee had at their disposal, at the end of the year, a sum of Rupees 5,277-13-0, and were in a position to carry out the alteration suggested by the Civil Surgeon in the dead-house attached to the Dispensary.

Civil Surgeon

Public Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the

Collector of Kurnool dated
30th January 1871 No. 19
Order thereon 18 Feb/71 No. 215.

The Government
consider the report on the
Civil Dispensary at Kurnool
for 1870, to be satisfactory.
There was no epidemic
disease during the
year and the number of
deaths among the patients
treated at the dispensary, was considerably
less than in 1869, although
there was a large increase
in the number who resorted
to the institution for
medical
