Proceedings of the Madras Government, Public Department,

7th January 1871.

No. 14. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 12th December 1870, No. 1329 :—

Audit Department.

I have the honour, with reference to paragraph 6 of the Proceedings of Government in the Public Department, dated 31st October last, No. 1400, to bring to the notice of Government that the Director of Public Instruction has submitted a statement from Dr. Hunter of expenses incurred by him, in which is shown a sum of Rupees 2,168-5-0, as *interest* due to Messrs. Binny and Co. I request that I may be favoured with orders as to whether I am to admit this claim, in addition to the sum of Rupees 8,824-4-0 which seems to me the full amount authorized by that Order, and which I have passed.

No. 15. ORDER THEREON, 7th January 1871, No. 22.

Resolved that the Accountant-General be informed that, had the precise amount of interest due to Messrs. Binny and Co. been known, it would have been sanctioned in G. O., dated the 31st October last, No. 1,400.

2. Under these circumstances, the Accountant-General is authorized to admit the charge of Rupees (2,168-5-0) two thousand one hundred and sixty-eight, and Annas five, in addition to the sum of Rupees 8,824-4-0.

(True Extract.)

Chief Secretary.

To the Accountant-General.

„ Director of Public Instruction.

2. The second part outlines the various methods used to collect and analyze data, highlighting the role of statistical analysis in identifying trends and patterns over time. This section also addresses the challenges associated with data collection and the need for robust quality control measures.

3. The third part focuses on the development of effective communication strategies, stressing the importance of clear and concise reporting to stakeholders. It provides guidance on how to present complex information in an accessible format, facilitating better decision-making.

4. Finally, the fourth part discusses the ongoing nature of research and the need for continuous improvement. It encourages researchers to stay current in their field by regularly reviewing new findings and adapting their methodologies accordingly.

The following is a list of the names of the persons who have been appointed to the various positions in the various departments of the Government of the State of New York, for the year 1890:
