No. 9. From the Collector of Tinnevely, to the Chief Secretary to Government, Fort Saint George, dated Tinnevely, 16th January 1871, No. 28.

As requested, I have the honour to report on Government petition, No. 2056, dated — September 1870.

2. The people of Sivakasi have done nothing as yet towards opening a dispensary, and their request to be supplied with Government medicines, therefore, premature. As a dispensary has been opened at Strivilliputur in that part of the country, and an indent is now being made for Government medicines, there is no longer any need of a dispensary at Sivakasi.

No. 10. From the Collector of Tinnevely, to the Chief Secretary to Government, Fort Saint George, dated Pudukudi, 20th January 1871, No. 34.

In continuation of my letter, No. 28, dated 16th instant, I have the honour to forward an indent for medicines and instruments for the Strivilliputur Dispensary. The people have built and endowed a hospital, and have secured the services of a competent Dresser; all that they now require are medicines and instruments, and I request that sanction may be obtained for these at once.
