An Office Memorandum from the Home Department, No. 7, dated the 3rd January 1871, forwarding certain papers, with the recommendation that the proposal to extend to the Hospital Assistants serving in the Andamans and Nicobars the extra allowances granted to Apothecaries on service in those Islands may be sanctioned.

RESOLUTION.—The Governor-General in Council observes that an increase of Rupees 50 per cent. on ordinary pay, which is allowed to Hospital Assistants in British Burmah, is all that is admissible to Hospital Assistants serving in the Andamans and Nicobars.
