2. The press was charged against Nellore by mistake; it should have been entered to Tanjore. No separate bill has been sent to Tanjore. The Proceedings sanctioning the cost of press are dated 18th December 1869, No. 9276.

3. The Collector of Tinnevely states that he has not received 300 lbs. of Small Pica charged in my bill. I have been obliged, therefore, to strike off the amount, although I have the entry made as despatched. The remainder of the bill is still due.

From the same Officer, dated 15th November 1870, No. 1135.

In continuation of mine of yesterday's date, I have the honour to state that Rupees 947-6-0 have been paid into the Bank of Madras since 1st September last.

From the same Officer, dated 21st December 1870.

I have the honour to forward, herewith, receipt for Rupees 1,000 towards repayment of advances. It was paid into the Bank nineteen days since, but was placed to my account by some error there.

From the same Officer, dated 17th January 1871, No. 58.

I have the honour to inform you that I have this day paid into the Bank of Madras, to re-payment of outstanding advances, Rupees 300. I have to request that I may be informed what sum remains for me to pay.

In paragraph 4 of their Order above recorded, the Government desire the Board to call on Mr. Morgan, the Superintendent of the Government Press, to pay up the amount of the deficiency that may be exactly ascertained to be due by him on account of advances received from the Madras Bank.

2. On the receipt of the above order, the several Collectors were instructed to remit direct to the Board any sums that might still remain due to Mr. Morgan, with a view to the same being paid by the Board into the Bank against the advances outstanding. The sums so received up to date from the six districts noted in the margin amount to Rupees 1,436-4-6, and they have been duly remitted to the Bank.

* Board's Proceedings, dated 18th November 1870, No. 6738.

† Board's Proceedings, dated 27th September and 29th November 1870, Nos. 5833 and 6886.

‡ Amount actually remitted by the Collector is Rupees 449, but that included in the sum of Rupees 5,830-5-6 is only Rupees 409-4-0, being the amount of the bills passed.

4. Bills since received and passed for payment to Mr. Morgan by Collectors have amounted to Rupees 5,830-5-6.

5. It must be observed that the Collectors of Nellore* and Malabar† had remitted, in March 1870, to Mr. Morgan, Rupees 665 and 449‡, respectively, prior to the receipt of passed bills from the Board's Office, so that, in fact, the sum of Rupees 5,830-5-6, mentioned in the preceding paragraph, includes these two sums, which had been remitted to Mr. Morgan before the orders of the Board for their payment.

6. The sum of Rupees 665 was the price of a Super Royal Press supplied to Nellore under sanction communicated in Board's Proceedings, dated 18th December 1870, No. 9276. Mr. Morgan had received this money in March 1870.

7. The Superintendent now explains that this was a mistake of his, but adds that he had omitted in his bill a like sum for another Super Royal Press supplied to the district of Tanjore under the same order.

8. The second sum of Rupees 409-4-0 was similarly received by Mr. Morgan in March 1870. The circumstances of this payment before the Board's sanction are set forth in the correspondence noted in the margin. It was discovered that

9th March 1871.

out of this amount Mr. Morgan was liable to refund Rupees 38-12-0 to the Collector on account of short supply.

9. As regards the price of the Super Royal Press supplied to Tanjore, the Collector will be requested to remit to the Board the sum of Rupees 665 if due by him. The Board observe that the price is Rupees 670 on this account, the difference being on account of exchange (*vide* Board's Proceedings, dated 18th December 1870, No. 9276).

10. It will be thus seen that the total actual demand against Collectors amounted to Rupees 4,756-1-6. This has to be raised to Rupees 4,956-1-6 by the addition of Rupees 200, which the Collector of Vizagapatam first objected to pay, owing to certain defects in the articles supplied, but afterwards agreed to remit under the sanction of the Board.

11. Of this demand (Rupees 4,956-1-6) Rupees 1,217-13-6 have been received from Collectors up to date, leaving Rupees 738-4-0 still due by certain Collectors to Mr. Morgan's account.

12. Besides this sum of Rupees 738-4-0, Rupees 608 from Bellary and Rupees 150 from South Arcot are perhaps due to Mr. Morgan; payment being delayed pending the Board's reference to the Collectors and the Superintendent. Including Rupees 670 due from Tanjore the assets in Mr. Morgan's favour would thus be Rupees 2,166-4-0.

13. Per contra, the Superintendent is liable on account of the following:—
Rupees 6 in Nellore are due by him on account of the item noted in the margin, and 272 Rupees in Tinnevely, which were included in one of the passed bills as the value of 300 lbs. of Small Pica, which was not afterwards actually supplied. These sums should, therefore, be deducted from the assets in his favour.

14. Adjusting the account according to these transactions, the actual amount, which now remains to be received from Collectors to the credit of Mr. Morgan's account, will be Rupees 2,160-4-0 as exhibited in the margin. The Collectors of the first five districts are requested to remit, at an early date, the amount stated to be due by them. Any excess over the Budget grant that may occur by this payment will be adjusted at the end of the year from general savings.

15. The present state of Mr. Morgan's account with the Board thus stands as follows:—

16. Out of the above deficiency, the Superintendent has paid up Rupees 1,300 up to date, leaving Rupees 767-3-6 still to be made good by him. It will be observed that the present deficit* is in excess of what has been already reported† to Government by Rupees 780-14-6. This is due mainly to the erroneous inclusion of Rupees 409-4-0 for Malabar, and to the overpayment of Rupees 272 by the Collector of Tinnevely.

17. It must be here noted that the balance now made up against Mr. Morgan, viz., Rupees 767-3-6, is based on the assumption that Rupees 2,160-4-0 are really still due by Collectors.

18. The Board accordingly resolve to direct the Superintendent of the Government Press to pay within a week Rupees 767-3-6, the balance as now made out against him, subject to the possible further liabilities indicated in the preceding paragraph. Failure to pay within a week from the date of these Proceedings will be reported to Government, with reference to paragraph 4 of Government Order, dated 24th October 1870, No. 1352, Public Department.

4. Bills since received and passed for payment to Mr. Morgan by Collectors, have amounted to Rupees 5,830-5-6.
5. It must be observed that the Collectors of Nellore* and Malabar† had remitted in March 1870 to Mr. Morgan, Rupees 665 and 449‡ respectively, prior to the receipt of passed Bills from the Board's Office. So that in fact the sum of Rupees 5,830-5-6 mentioned in the preceding paragraph includes these two sums which had been remitted to Mr. Morgan before the orders of the Board for their payment.

6. The sum of Rupees 665 was the price of a Super Royal Press supplied to Nellore under sanction communicated in Board's Proceedings, dated 18th December 1870, No. 9,276. Mr. Morgan had received this money in March 1870.
7. The Superintendent now explains that this was a mistake of his, but adds that he had omitted in his Bill, a like sum for another Super Royal Press, supplied to the district of Tanjore under the same order.

8. The second sum of Rupees 409-4-0 was similarly received by Mr. Morgan in March 1870. The circumstances of this payment before the Board's sanction are set forth in the correspondence noted in the margin. It was discovered that out of this amount Mr. Morgan was liable to refund Rupees 38-12-0 to the Collector on account of short supply.

9. As regards the price of the Super Royal Press supplied to Tanjore the Collector will be requested to remit to the Board the sum of Rupees 665 if due by him. The Board observe that the price is Rupees 670 on this account, the difference being on account of exchange (vide Board's Proceedings, dated 18th December 1870, No. 9,276.)

10. It will be thus seen that the total actual demand against Collectors amounted to Rupees 4,756-1-6. This has to be raised to Rupees 4,956-1-6 by the addition of Rs. 200, which the Collector of Vizagapatam first objected to pay owing to certain defects in the articles supplied but afterwards agreed to remit under the sanction of the Board.

11. Of this demand (Rupees 4,956-1-6) Rupees 4,217-13-6 have been received from Collectors up to date, leaving Rupees 738-4-0 still due by certain Collectors to Mr. Morgan's account.

12. Besides this sum of Rupees 738-4-0, Rupees 608 from Bellary and Rupees 150 from South Arcot are perhaps due to Mr. Morgan; payment being delayed pending the Board's reference to the Collectors and the Superintendent. Including Rupees 670 due from Tanjore the assets in Mr. Morgan's favour would thus be Rupees 2,166-4-0.

13. Per Contra the Superintendent is liable on account of the following:—Rupees 6 in Nellore are due by him on account of the item noted in the margin, and 272 Rupees in Tinnevely, which was included in one of the passed bills as the value of 300lbs. of Small Pica, which was not afterwards actually supplied. These sums should therefore be deducted from the assets in his favour.

14. Adjusting the account according to these transactions the actual amount, which now remains to be received from Collectors to the credit of Mr. Morgan's account will be Rupees 2,160-4-0 as exhibited in the margin. The Collectors of the first five districts are requested to remit at an early date the amounts stated to be due by them. Any excess over the Budget grant that may occur by this payment will be adjusted at the end of the year from general savings.

15. The present state of Mr. Morgan's account with the Board thus stands as follows:—

	RS.	A.	P.
Amount of advance remaining against Mr. Morgan unaccounted for towards the end of April 1870	8,127	9	0
Do. since remitted by Mr. Morgan to the Bank of Madras	2,735	13	0
Do. do. by the Board by Transfer receipts received from Collectors	1,436	4	6
	4,172	1	6
Do. still due by Collectors as particularized in paragraph 14 of these Proceedings	2,160	4	0
	6,332	5	6
Add—amount of over-payment in Tinnevely (vide paragraph 13 of these Proceedings)	1,795	3	6
	272	0	0
The actual amount of deficit to be made good by Mr. Morgan from his private funds	2,067	3	6

16. Out of the above deficiency, the Superintendent has paid up Rupees 1,300 up to date leaving Rupees 767-3-6 still to be made good by him. It will be observed that the present deficit* is in excess of what has been already reported† to Government by Rupees 780-14-6. This is due mainly to the erroneous inclusion of Rupees 409-4-0 for Malabar and to the over-payment of Rupees 272 by the Collector of Tinnevely.

As per letter from the Superintendent, dated 21st December 1870	RS.
Do. do. dated 17th January 1871.	1,000

	RS.	A.	P.

† 1,287	5	0	
	780	14	6

17. It must be here noted that the balance now made up against Mr. Morgan, viz., Rupees 767-3-6, is based on the assumption that Rupees 2,160-4-0 are really still due by Collectors.

18. The Board accordingly resolve to direct the Superintendent of the Government Press to pay within a week Rupees 767-3-6 the balance as now made out against him subject to the possible further liabilities indicated in the preceding paragraph. Failure to pay within a week from the date of these Proceedings will be reported to Government with reference to paragraph 4 of Government Order, dated 24th October 1870, No. 1,352, Public Department.
