Proceedings of the Madras Government, Public Department,

11th January 1871.

No. 27. Read the following letter from the Officiating President of the Municipal Commission, Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 17th December 1870, G. No. 549:—

The year for which Mr. G. H. Ross was appointed, on probation, Sanitary Inspector of the Town of Madras expired on the 14th instant, and I have the honour to request you will be good enough to move the Right Honourable the Governor in Council to sanction his re-appointment, on probation, for a further period of six months on the same salary that he is now drawing.

2. My reason for recommending this course, in place of asking Government to confirm Mr. Ross in the appointment, is that a Committee is now engaged in inquiring into the organization of the Sanitary Department, and I think it will be more convenient that it should make its report before the post of Sanitary Inspector is permanently filled up.

3. I would add that Mr. Ross has performed the duties of his office in a satisfactory manner, and that Colonel Dension has left it on record that, had he remained in Madras, he would have recommended Government to confirm him in the appointment.

No. 28. ORDER THEREON, 11th January 1871, No. 37.

The Government sanction the continuance of Mr. G. H. Ross' services as Acting Sanitary Inspector for the Town of Madras, on probation, for a further period of six months.
