Convey. letter from the Sup. G.
Eng. & Division giving the
valuation of the building
used as the Strangers
Home at Royapuram.

*Proceedings of the Madras Government, Public Department,
27th March 1871.*

No. 121. Read the following letter from the Executive Engineer, Presidency, to the Superintending Engineer, 4th Division, dated Fort Saint George, 20th March 1871, No. 2365:—

With reference to your letter, No. 5077, of the 16th instant, I have the honour to report having carefully inspected the building used as the Strangers' Home at Royapooram. Measurements have been taken, and a plan, together with a detailed estimate of its value, is now under preparation, which will be forwarded as early as practicable. In the meantime, I beg to state, for your information, that the value of the buildings, including the ground, amounts to Rupees 8,500; the compound has a superficial area of 42,450 square feet, or $17\frac{1}{2}$ grounds, and is worth, in that locality, at least Rupees 150 per ground. The buildings, which are terraced and one of which has an upper story, cover an area of 9,400 square feet, including out-houses, and, although the walls are of brick in clay, and have been built, I believe, upwards of fifty years, are worth Rupees 6,000 as they stand. To put the whole into thorough repair would cost about 1,000 or 1,500 Rupees, and very considerably increase their present value.

Sir

With reference to your
letter No 5044 of the 14th Instant
I have the honor to report having
carefully inspected the Building
used as the Strangers home at
Royapuram; measurements have
been taken and a Plan together
with a detailed estimate of its
value is now under preparation which
will be forwarded as early as
practicable; in the meantime
I beg to state for your informa-
tion that the value of the Building
including the ground amounts
to Rupees 8,500; the compound
has a superficial area of 42,450 sq ft
or $17\frac{1}{2}$ grounds and is worth

that locality at least \$150-
per ground, the Buildings which
are terraced and one of which
has an upper story, cover an area
of 9400 sq ft including out-houses
and although the walls are of
brick in clay and have been
built, I believe upwards of 50
years, are worth \$6000 as they
stand, to put the whole into
thorough repair, would cost about
1000 or 1500 \$ and very consider-
ably increase their present value.
